LIFE IS . . . Now!

*With the memories of yesterday,
the realizations of today and
the dreams of tomorrow all intermingled.
Each day of one's life should encompass new experiences.
Any day once ended cannot be grasped again,
is as impossible to hold as soap bubbles
or a handful of morning mist,
and so no single day can be ignored.*

Daily life at LHS explodes into a multitude of experiences, a variety of knowledge, all encouraged by the FACULTY. (pgs. 20-59).

The students in Rebeland find their school day lives stretched tenacle-like in all various ACTIVITIES. (pgs. 62-91).

Some students cluster together in a common interest and involve themselves in ORGANIZATIONS. (pgs. 94-139).

While others contribute something extra to Lee and the student body recognizes their special talents and elects them FAVORITES. (pgs. 142-169).

The athletes captivate the student body's interest and the competitive spirit at Lee exhibits itself in organized SPORTS. (pgs. 172-231).

Although the days seem isolated suddenly September evolves into a year and whatever one day meant can only be recalled by viewing CLASS PICTURES. (pgs. 234-323).

Some of us measure days, class periods, even coins. Your life today is your tomorrow's ADVERTISEMENT. (pgs. 326-341).

Tomorrow, next month, years from now, we'll turn back the pages of time and somewhat tenderly recall the year of 1975, for it is all here, crystallized, who we were, what we did, what we dreamed. We will remember "Life at Lee."

Life is . . .

Casting shadows

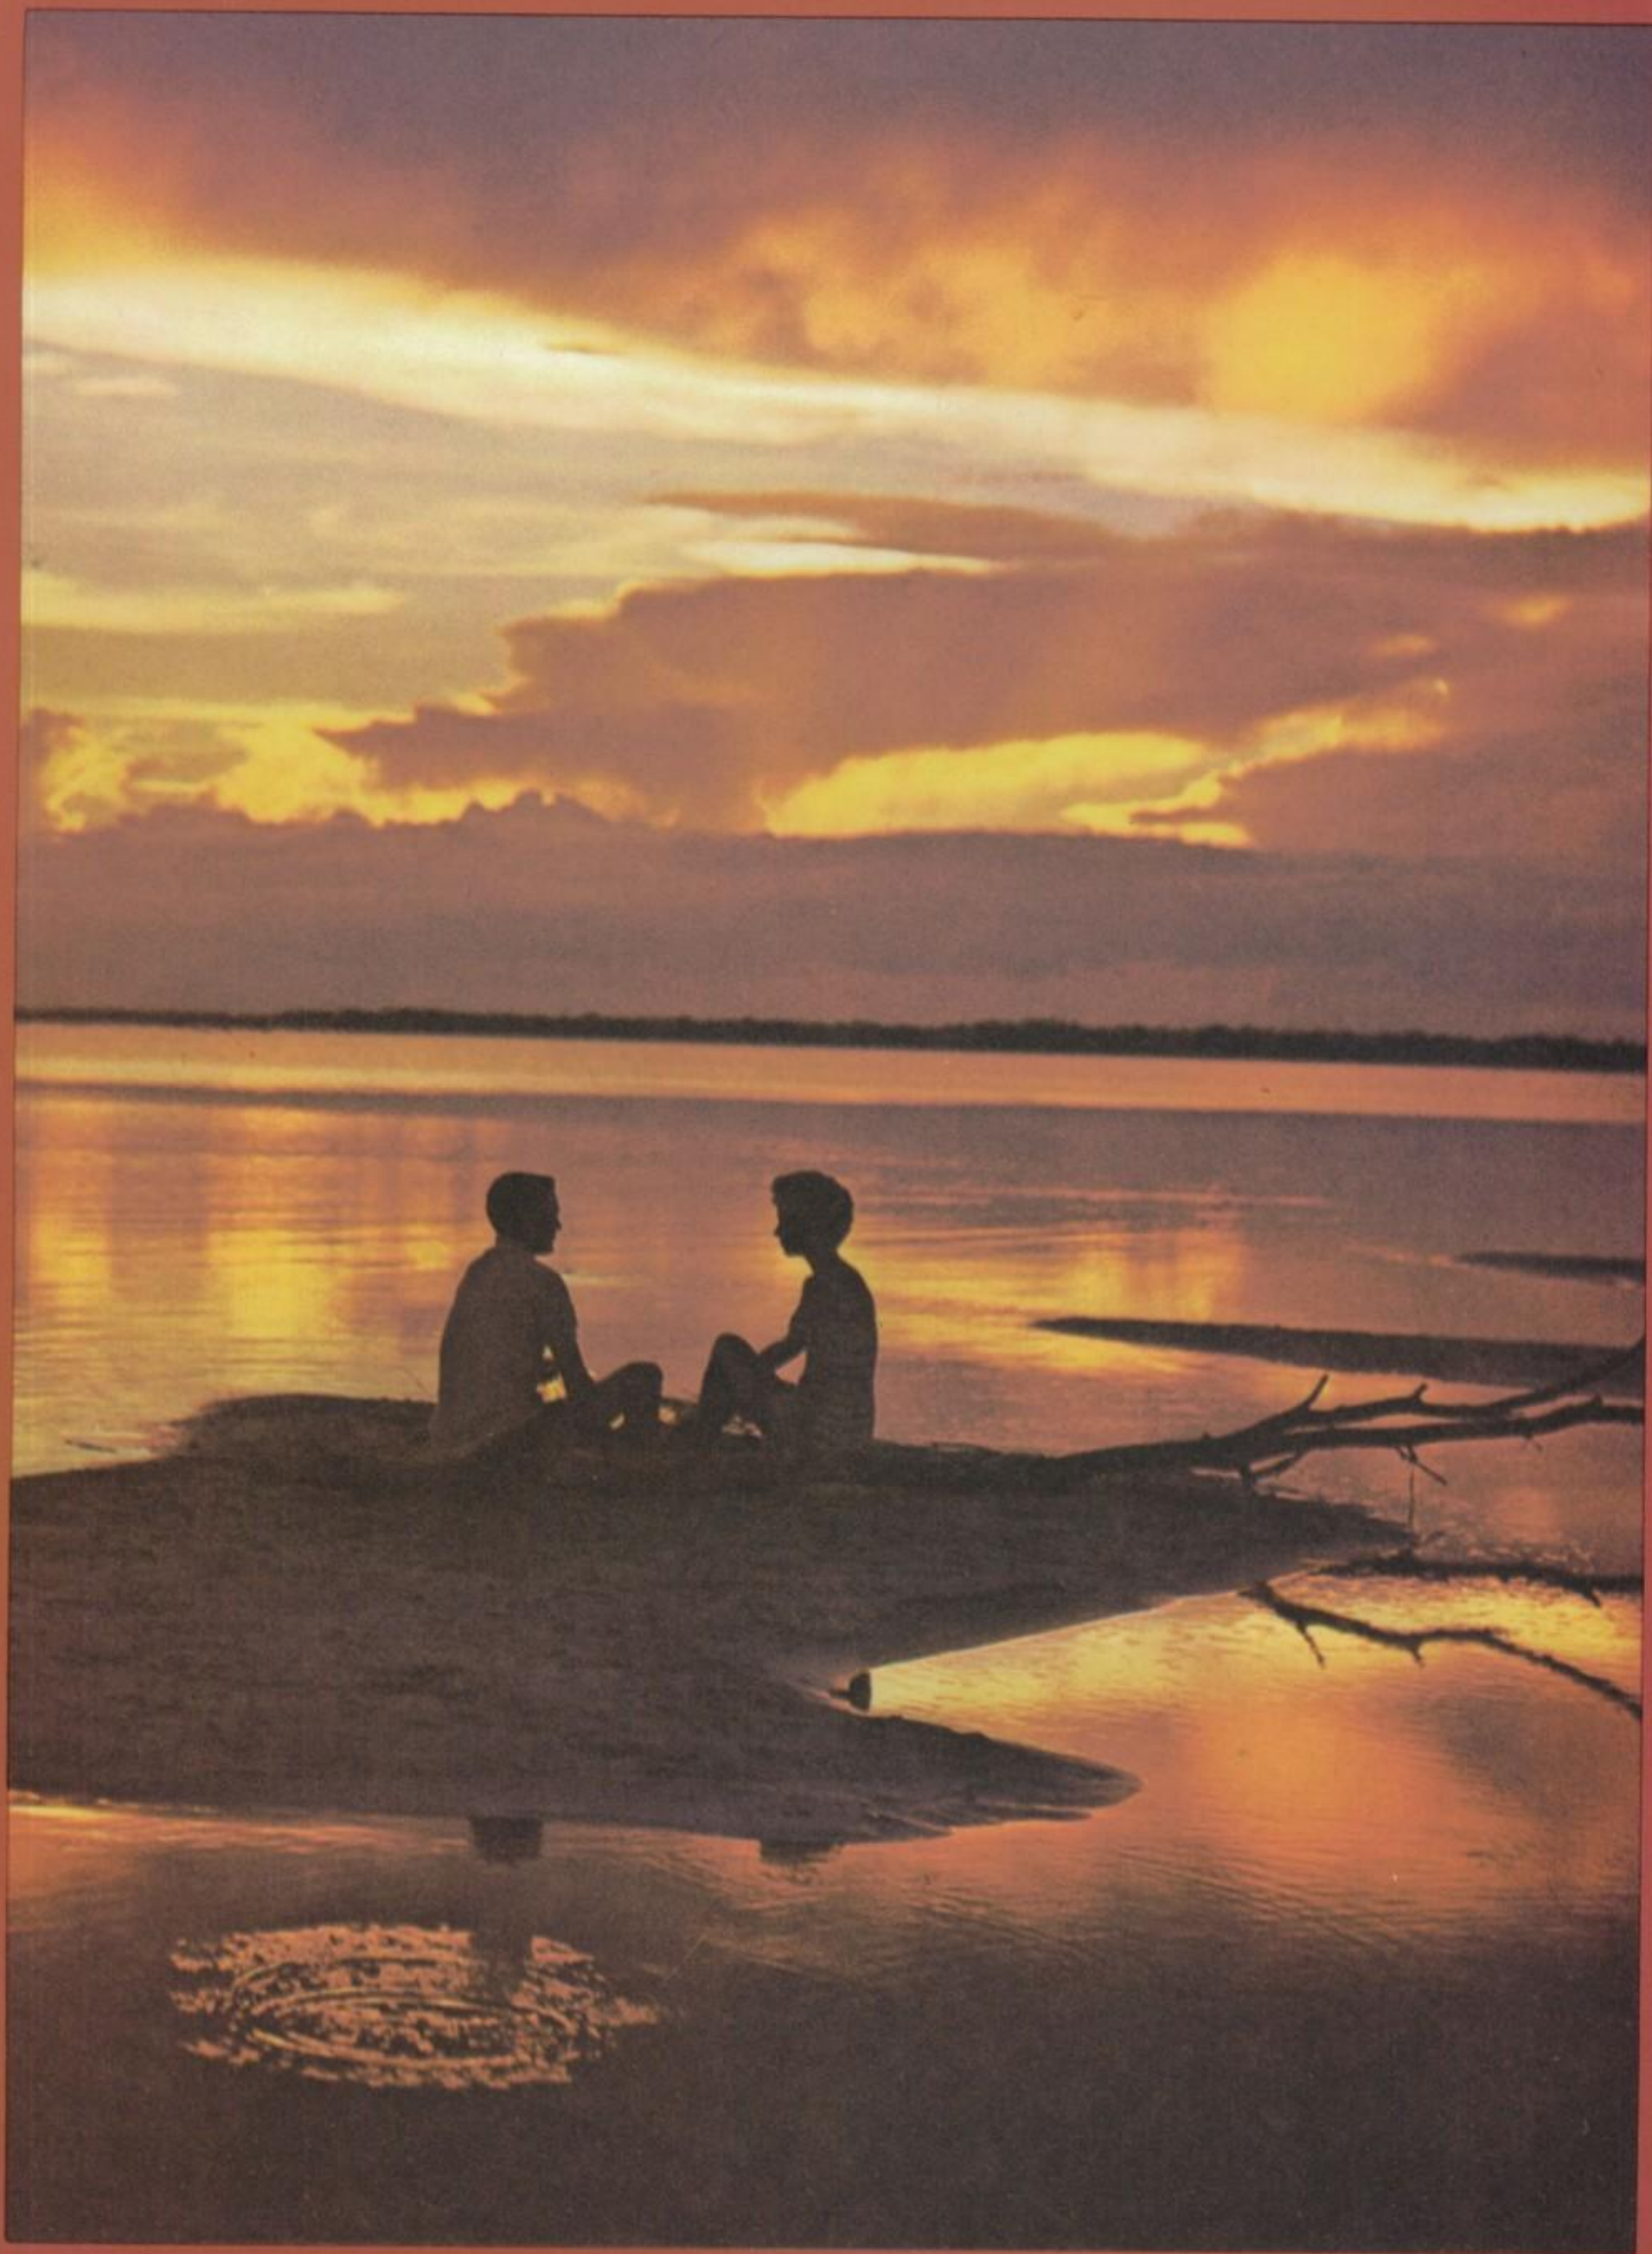

Making impressions

Grasping at sunshine

Coping with darkness

Fleeting

And enduring.

Life is . . .

An awakening of mauve-shaded dawns

Reclining with the misty dusk

New horizons

Familiar surroundings

The promise of tomorrow

Beckoned

By the close of today.

Lee's Administrative Leaders

As each year progresses, the Lee Administration faces a constant whirl of student problems and activities. These men strive to provide the highest degree of education for the students at Robert E. Lee. "He who devotes sixteen hours a day to hard study may become as wise as he thought himself at twenty." Mary Little

Lee's Busy Bees

Amid the throng of life's everyday activities, the office ladies go through a chain of endless work. They spend their days answering question after question. "When do I order my cap and gown?" "When do I take my S.A.T.?" "Will it snow on graduation night?" What would we students do without these ladies?

Guiding Personnel

"Will I ever make it to college?" "Will a 5500 on my S.A.T. be good enough for Harvard?" "Is Johnny going to graduate?" These are questions our counselors face from puzzled students and worried parents each day. The constant stream of queries are all a part of making Lee a better school for every student.

"Live in each season as it passes, breathe the air . . . taste the fruit, and resign yourself to the influence of each . . . Be blown on by all the winds. Open all your pores and bathe in all the tides of nature, in all her streams and oceans, at all seasons." Henry David Thoreau

Concern for a Better Tomorrow

Helping you find books, watching studious students study, and having heart failure when students come to a screeching halt on stop signs instead of at them. These are just minor things; however, when the instructor has to put up with those students who slam on the brakes and give the instructor a little trip through the windshield. While the school board strives to perfect the school system in order that students obtain a well-balanced education.

Cooking and Cleaning for Lee

Cooking and cleaning up after Lee students isn't exactly easy, so the maintenance crew should be commended for a superb job! If it weren't for them, we would have hunger pains and other pains from slipping on dirty floors. List opening to complaints are also a part of their day, but they always seem to come out of it smiling.

English is probably the most loved and most dreaded subject taught at Lee. The English language is misused and abused by many but without it, there would not be communication. Communication provides man with the desire to live in each day and progress from childhood to adulthood.

Grammar, theme writing, and research papers do not make up the complete English department at Lee. Film producing, ghost stories, Mark Twain, and many other unique courses add creativity to the student's day of learning.

There was a child went forth every day;
And the first object he looked upon, that object he became.
And that object became part of him for the day, or a certain part of the
day, or for many years, or stretching cycles of years:
The early lilacs became part of this child . . .
And the apple-trees covered with blossoms, and the fruit afterward, and
wood-berries, and the commonest weeds by the road;
And the schoolmistress that passed on her way to the school . . .

The blow, the quick loud word, the tight bargain, the crafty lure,
The family usages, the language, the company, the furniture — the yearning
and swelling heart . . .

The doubts of day-time and the doubts of night-time — the curious whether
and how,
Whether that which appears is so, or is it all flashes and specks?
Men and women crowding fast in the streets — if they are not flashes and
specks, what are they?

These became part of that child who went forth every day, and who now
goes, and will always go forth every day.

Foreign Flair

When all about you are speaking in different tongues, no wonder the world is so delightful a place. "Como estas?" "Wie geht's?" The foreign language combines a delightful course with a new awareness of the difference in the cultural backgrounds. As the year progresses, the teachers unveil the history of the country being studied, along with the advancement of the people.

Let the whole world be in thy consideration as one house and there consider in that, in the peaceful harmony of creatures, in the peaceful succession and connection of causes and effects, the peace of nature.

American history, the link to the past, brings into focus our heritage. Other history courses inform students of the major issues of our government. Ethnic studies give the students a new awareness of other heritages and culture which creates common bonds between the groups.

Breathes there the man with soul so dead
 Who never to himself hath said,
 This is my own, my native land!
 Whose heart hath ne'er within him burned,
 As home his footsteps he hath turned
 From wandering on a foreign strand?
 If such there breathe, go, mark him well;
 For him no minstrel raptures swell;
 High though his titles, proud his name,
 Boundless his wealth as wish can claim,
 Despite those titles, power, and pelf,
 The wretch, concentred all in self,
 Living, shall forfeit fair renown,
 And, doubly dying, shall go down
 To the vile dust from whence he sprung,
 Unwept, unhonored, and unsung.

History Enlightens

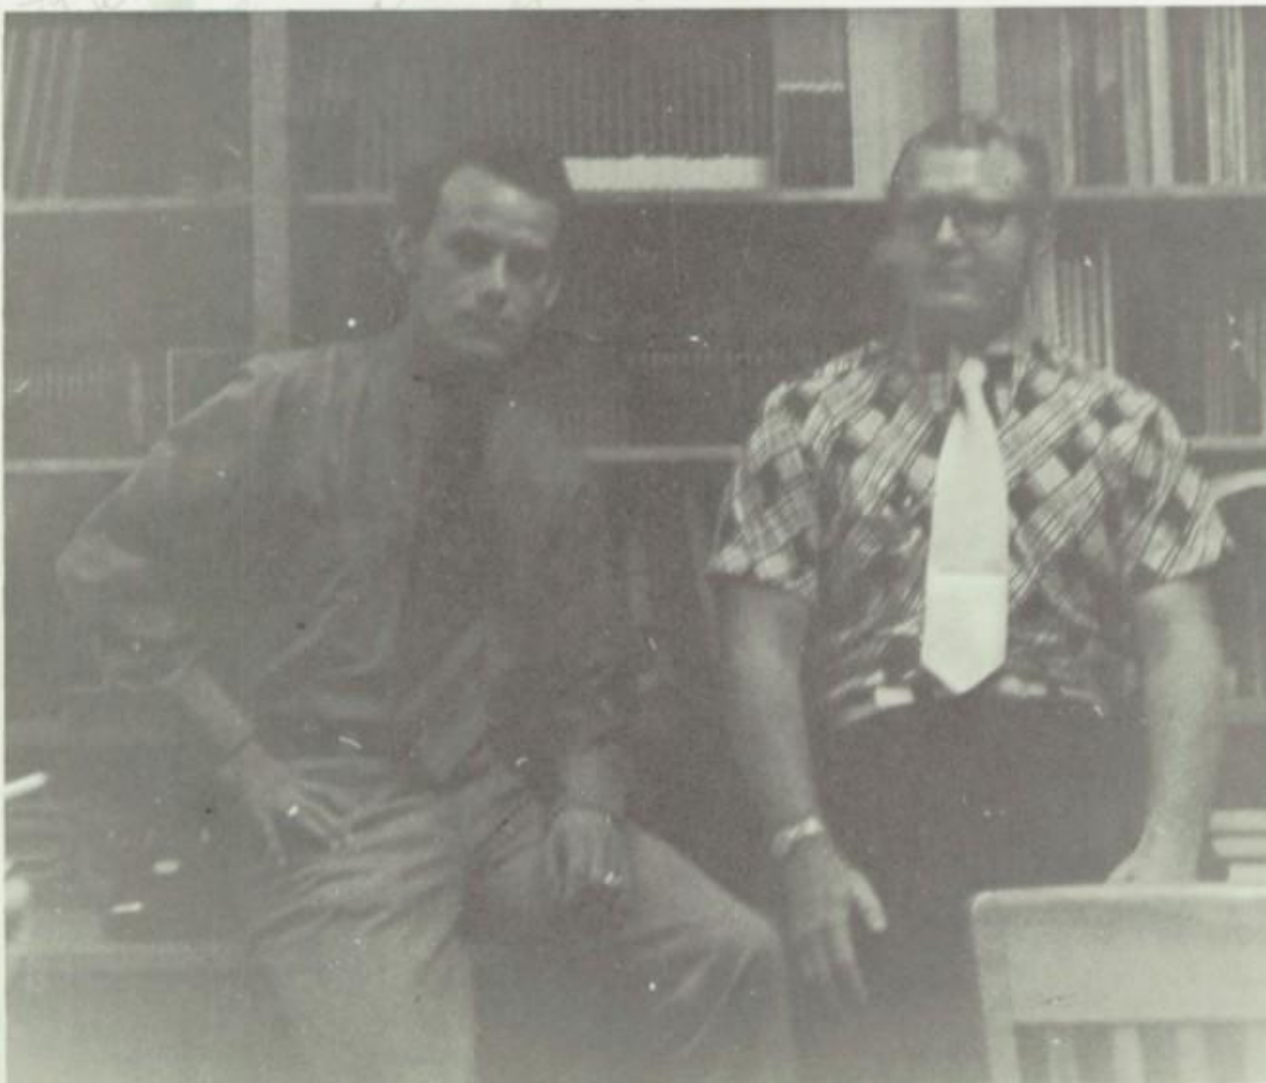

Reaching across the globe, World History enlightens the students with the knowledge of our vast universe. With the acquisition of this knowledge, students compare cultures.

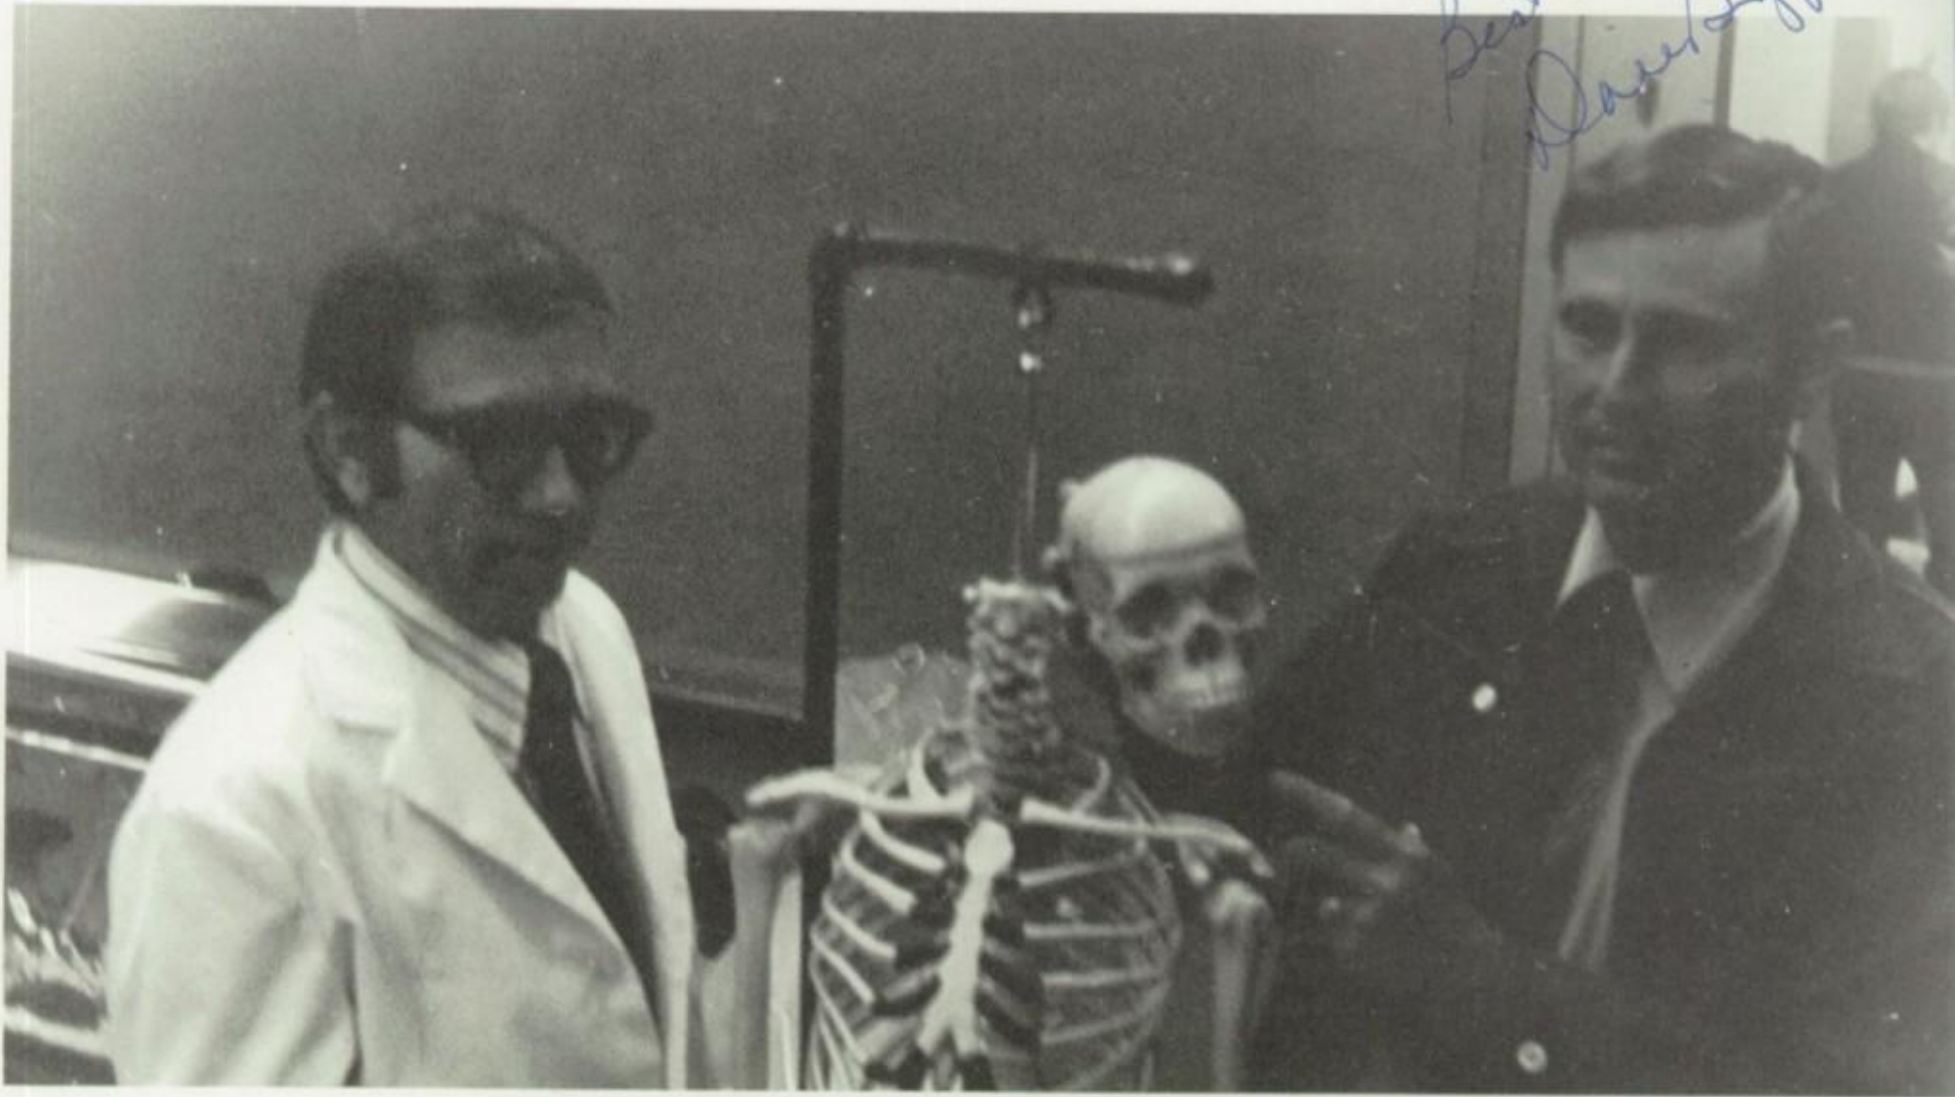

I hear America singing, the varied carols I hear, Those of mechanics, each one singing his as it should be blithe and strong. The carpenter singing his as he measures his plank or beam. The mason singing his as he makes ready for work, The boatman singing what belongs to him in his boat, the deckhand singing on the steamboat deck. The shoemaker singing as he sits on his bench, the hatter singing as he stands. The wood-cutter's song, the ploughboy's on his way, in the morning, or at noon intermission or at sundown, The delicious singing of Mother, or of the young wife at work, or of the girl sewing or washing, Each singing what belongs to the day, at night the party of young fellows, robust, friendly, Singing with open mouths their strong melodious songs.

Kaleidoscope of Fine Arts

The unique expressions of individuals are created by their desires to learn of the beauty in life. Such people can be found in the corridors of our band and art halls where the swish of paint brushes and the oom-pahs of the tubas are heard. "The great pleasure in life is doing what people say you cannot do."

Creativity, perfection, and a lot of hard work make up these departments who are constantly on the go to meet their goals. Through a combined effort of student and teacher, the speech and drama departments all work to compete with other schools. ○○○ **ACTIVITIES**

Beginning Days

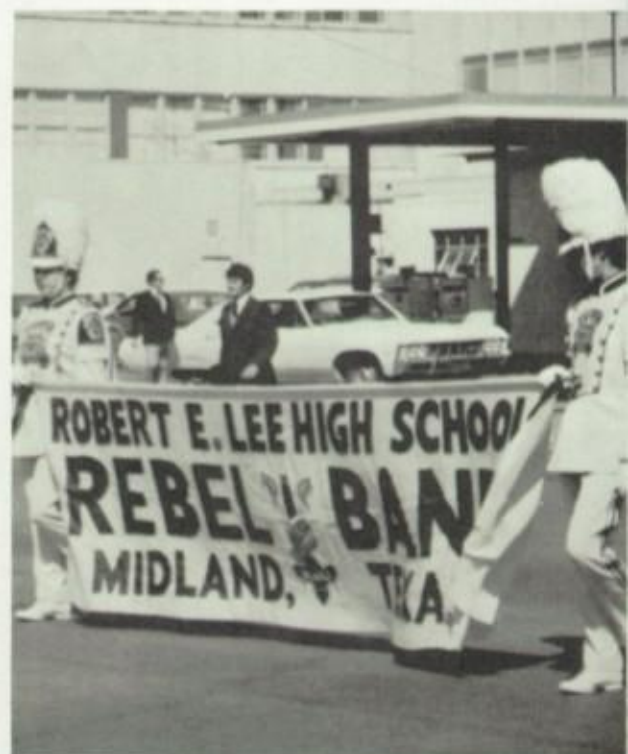

As the doors of Lee High School opened, anticipation filled the halls. Sophomores, here for the first time, looked as if they were completely lost. The juniors and seniors, refreshing their memories, peered down one hall and then another. Lost books and telephone calls in the office; science experiments and short lectures in the classrooms; were the agendas for the first days of school.

A Great Homecoming for Lee

As Homecoming rolled around the air was filled with excitement. On the afternoon of October 28, the downtown streets were lined with anxious Lee fans. As they looked down the street they could see various creative efforts, with the theme of Old Movies, that show the spirit of the students. The Homecoming parade had begun. Bash a Bronco!

The Honors of Homecoming

During the half-time ceremony the floats were paraded and the Homecoming Queen and Sweethearts were formally introduced. The Queen and her Attendants consist of Patricia Tidwell, Band Sweetheart, Terry Stapler, Football Sweetheart, and Donna Nipp, the '74-'75 LHS Homecoming Queen.

Move to the Music

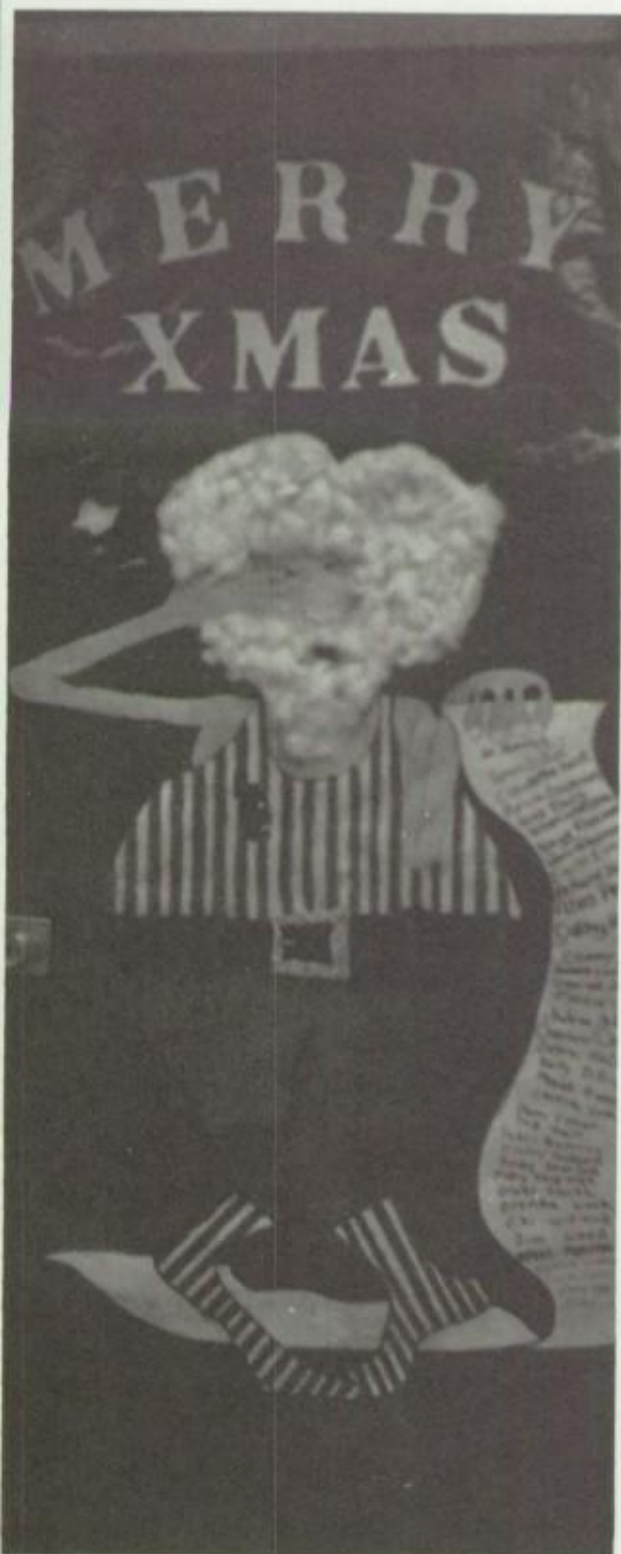

Cheer and Music filled the minds of the students as they filed into the Youth Center for the Homecoming Dance. The whole Youth Center was filled with Wizard of Oz characters, as that was the theme for the dance. Providing the music was Battlecreek.

Christmas Cheer

When Christmas came, although the weather was like Spring, the atmosphere sounded of Christmas cheer. Doors were being decorated for the contest that rewarded free Cokes to everyone in the class. Even though there were only two winners, spirit was all around and almost every door was decorated in bright reds and greens, with a few blues and whites here and there.

Pep 'Em Up Rebs

In honor of this year's Rebel Squad, a banquet was held in the Cafeteria. By capturing the District title, these Maroon Men captured the hearts of everyone at Lee. Many people had their words of thanks to say. Appreciation came from Dr. Neswick and many members of the faculty. Awards and "L" letters were given. Valentines Day is always a special day and this one was no exception. Senior members of the National Honor Society gathered all during the day to serenade young, embarrassed lovers. Class of '75

The Senior Class of '75 was the usual frolicky, playful, silly seniors that occupied most high schools; students with senior fever just waited until they would graduate. What a Choice?

As the time to elect new leaders in Student Council and Cheerleading drew near, assemblies gathered to choose next year's best. The outcome became clear as the very qualified and prepared candidates, and those not quite so prepared, began their stabs at success. So Long Dixie

"One Big Party" is a true statement about the life of a Senior. In honor of this year's Graduating Class of '75 the Senior Banquet and Junior-Senior Prom carried the theme of So Long Dixie. The Senior Banquet consisted of speeches from Dr. Neswick, Bill Eiland, Becky Ellis, and Jeri Cabiness. A barbeque dinner was served and the Senior Song, Searching So Long, was sung. Coats with tails and long dresses made up the Prom. All in all, two nights of fun.

With No Regrets, We Leave

After 12 years of hard labor, Seniors joyously retreated from school. This year's graduating class, consisted of 43 Honors graduates, 150 National Honor Society Members, and a total of 640 graduates. Out of these 640, 80 were granted scholarships. The Class of '75 was not the largest class ever to graduate from Robert E. Lee High School, but in Lee's 14 year history there had never been a class to achieve such a large number of honors graduates or to receive as large an amount of money in scholarships, the approximate sum of \$180,000 was attained. This class, the Class of '75, will long be remembered.

Seniors After Midnight

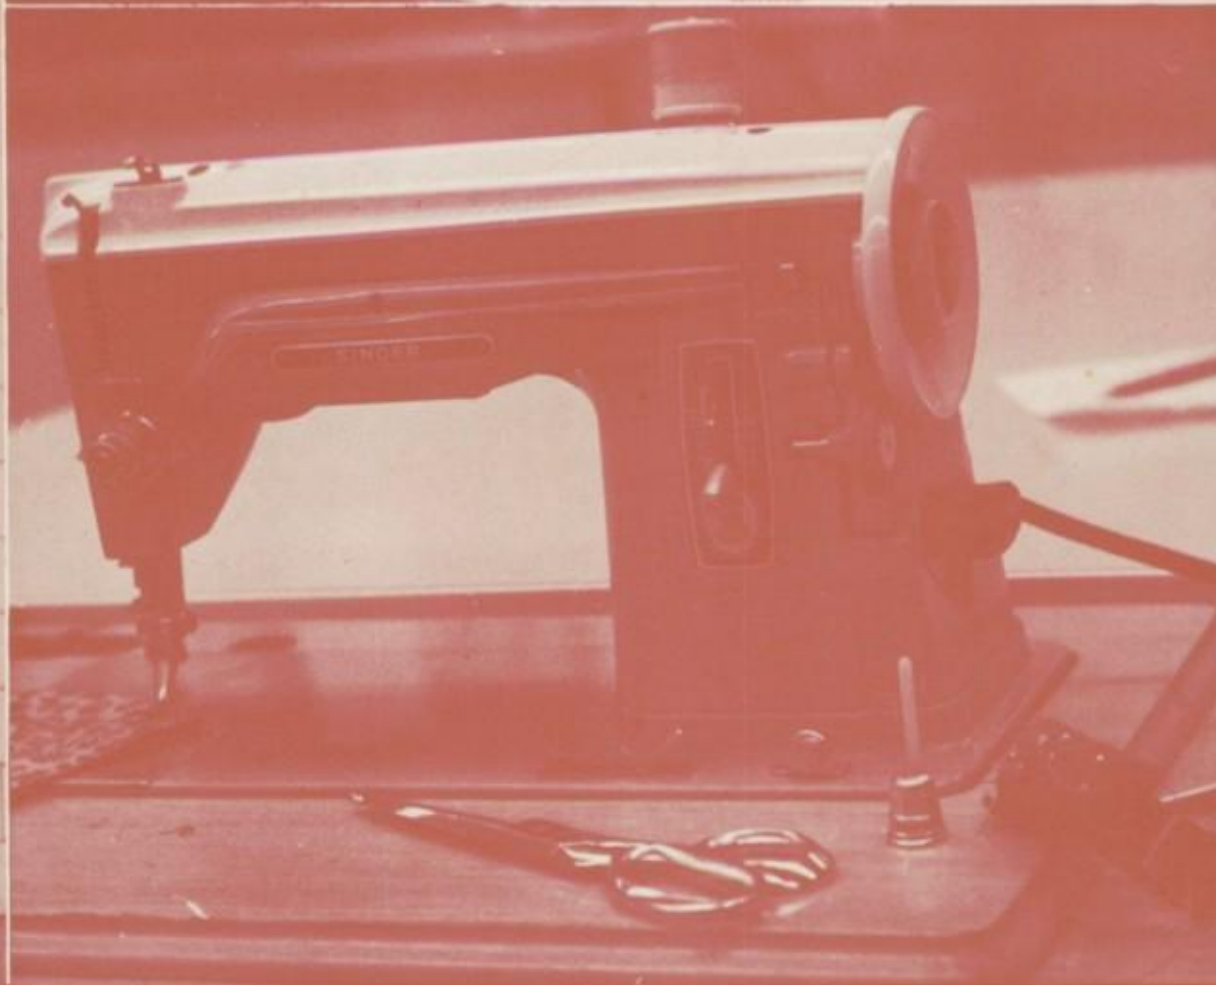

With night still young, seniors danced, ate and talked about the past year. Food ranged from pop corn to hot dogs and topics of discussion were many and varied. Enthusiasm and buoyancy began to dwindle as the hour neared 3:00 a.m. Toward 5:30 a.m., the seniors still present were present in body only. The All-Night-Party ended reluctantly at 5:30 and this year's senior class had officially graduated.

Smiling faces with sparkling eyes shine through each victory as the Rebelettes cheer on the football, basketball, and other assorted sports.

Key Club Is High With Spirit

Humming in harmony, the Key Club strikes up jubilation wherever they journey. The Ka-zoos buzz with melodious numbers of every kind, ranging down the top ten off the charts to the winning fight song. Promoting school spirit throughout the halls of Lee is another one of their activities. If they can't keep you wide awake with their inexpressible instruments they will keep you soaring high with maroon and white balloons.

In October, while school spirit was still ablaze, the Key Club constructed a mountain of flames for the homecoming bonfire. The Broncos were lost in the ashes of red-hot aggression and the Key Club had conquered its goal. The school was in hot pursuit due to the overpowering drive of the Key Club.

A Whole Note on the Band

Under the supervision of Ike Nail and Tom Dillon, the two dominate majors, the band scaled many octaves this year. An excellent rating was given them for an outstanding performance at marching contest.

The upbeat of school spirit was never flat. They pounded out rhythms that would rock your treble clef.

Traveling to Corpus Christi only made their mood more harmonic toward each other.

The whole concept of this minor composition is to stage one idea and that is that the Rebel band is bar none and that's fine.

One of the most active all-around organizations of Lee High School is the Rebelee annual staff. Tackling deadline after deadline this year were; Alice Reyes, Sherry Basset, Shawn Hoffaker, Nancy Lee, Frances Etheridge, Cindy Olsen, Janie Baker, Vonda Johnson, Ann Pate, Lauri Welch, Joan Wilmes, Lyn Boyd, Kristen Scott, Deanne Roberts, and Bobbie Salgado.

The staff covers all school chartered organizations, sports, sweethearts, outstanding students, the faculty, and, much much more. Extreme satisfaction overcomes each member of the staff at the end of each year.

Combining Biology and Medicine to Gain Experience

Students with special interests in the fields of biology and medicine found the Bio-Med Club to be not only fun but inspiring and educational. Because the organization was small, members had a closer point of view with other members as well as with guest speakers who were glad to lecture for them.

Members from left to right, top row are; Mike Baker, Lanny Cargile, Cindy Cruse, Kevin Crowley. **Bottom row;** Jeff Rutherford, Michele Sanders, Jean Ward, Janelda Ashley, Cindy Davis, Brian Carrigan, Mike Byrd, Allan Hetzel, and faculty sponsor Mrs. Cynthia Williams. **Not pictured;** David Butler and Lisa Kingree.

Creating Images Through Art

The Art Club consists of students who are willing to stand with both feet firmly on the ground with the determination of getting their job done. Art Club members are hard-working and deserving artists creating decorations for dances and coronation. After school meetings involved in various activities from the usual painting and drawing to the recognition of our surroundings and ecology.

Keep up the good work
Luv ya,

Working Together to Make Things Better

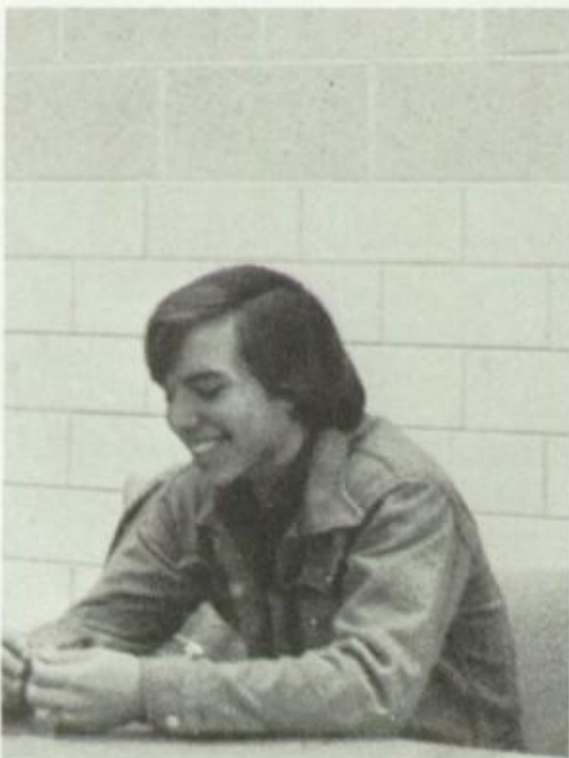

Working hard for Lee this year were students involved in activities that were well organized and successful. The presidents cabinet contributes more for Lee than is recognized. They organize the calendar, welcoming committees for new students, the scrapbook, all elections, dances and coronation. The Presidents Cabinet is chosen by the President and each member carries out their responsibilities with lots of pride and satisfaction.

S.I.T.C.A. members are selected each year by the Midland Chamber of Commerce to help the community and our environment. Monthly meetings were attended by these students to plan and carry out activities for Midland.

Effective Student Government

The Student Council is made up of officers and representatives for Lee. Tuesday morning is the regular meeting date for these students. Ideas are discussed and carried out to make Lee a more successful school. Many activities were sponsored throughout the school year.

3.5ers Unite

Leadership Scholarship and Valentine Fun

N.H.S. is well known for their famous Valentines Day celebration. February 14 of this year was filled with joy and love provided by the National Honor Society. There were cries of embarrassment while being sung "Your Cheatin' Heart" or "Puppy Love" and wide smiles of joy when receiving a carnation from that certain person. The Valentines Day Project brought in over \$1000 for two \$500 Scholarships. Along with this, N.H.S. had their initiation this year in January. For the end of the year trip, they went to the sandhills.

Making Their Own Kind of Music

With their voices united, the Lee Chorale accumulated many honors during the year including a Superior rating in the University Interscholastic League Contest and a Sweepstakes in the Corpus Christi Buccaneer Days Festival.

The thrill, excitement, and beauty of good music is experienced by few, but the members of the choir achieve a deeply personal and emotional interpretation of various musical selections. The students obtain an understanding and appreciation for artistically performed music.

Striving for Higher Goals

The Chicano Anglo Negro Organization works together as a whole in money making projects throughout the year. This year C.A.N.O. sponsored a Teacher's Appreciation Day, in which the teachers were honored by C.A.N.O. serving food all day in their lounge. A spring splash was held in April with the money going to a C.A.N.O. scholarship. The scholarship will be given to a hard-working member of C.A.N.O. and decided upon by the C.A.N.O. scholarship committee.

Juniors and Seniors of the Junior Council along with Sophomores of the 100 Club work together with the enjoyment of running the Youth Center smoothly. Dances, fund raising projects, and other activities were sponsored to support the Youth Center. Officers of the Junior Council were; Tanya Jones — Pres., Berry Spears — Vice Pres., Ann Hellinghousn — Sec., and Janet Gorence — Treas. 100 Club officers; Brenda Cary — Pres., Deanna Whisnand — V.P., Debbie Russell, Brenda Ewan, Judy Ottman, and Susan Wallace — Sec.

The members spend long hours of preparation in order to keep up their reputation for excellent performances and to capture first place honors in various tournaments. Indianapolis, Minnesota.

Comedy to Tragedy

Thespians take their comedies and tragedies in Life's stride when they stage their art of drama. This was a most successful year for a Thespian to make the scene. Productions such as **Our Town**, Reader's Theaters, A one act play, **"JB,"** **Mad Woman of Chaillot**, **Waiting for Godot**, and **Life is Knowing What to Do With it**, by a talented drama student, Eddie Wornell, were performed so expertly that each opening curtain sent a wave of emotional sensation through each audience.

Leaders of the Future

Although cooking, sewing and washing clothes are typical duties of housewives, the Future Homemakers of America have expanded to budgeting, economic marketing, and a family council program. The FHA has invited speakers to talk to them about various subjects dealing with the home such as "How to choose tables."

Future Teachers of America are the prospective instructors that will someday open the minds of pupils that are destined to become scholars. With pen in hand and a grade book completing their schoolmarm uniform they instructed pupils in the Headstart program . . . They sponsor the teacher of the week, hosted the district 18 convention, raised money by selling tupperware, and stationery, and conducting a concession stand for the Tall City Speech Tournament. Attending the state convention in Fort Worth were two district officers, Pres. Cheryl Johnson and Becky Sides, corresponding secretary.

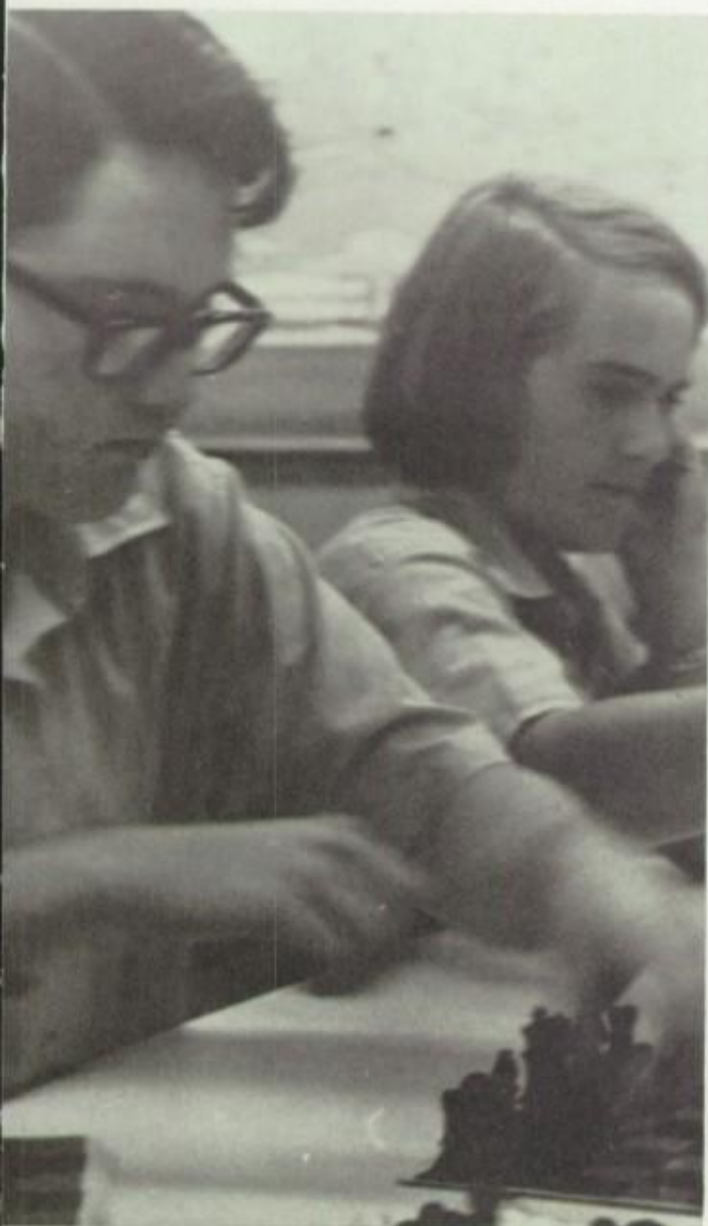

Striving for Satisfaction

The 1974-75 Dixie Dispatch had a bold new staff with a brighter newspaper to present to Lee's student body throughout the school year. The price of the Dixie Dispatch was only 1.00 compared to last year's 1.50 subscription fee, which was one of the very few items that reduced its price during this period of climbing prices. Having ten whole pages for the first time in Lee's history made staff members as well as subscribers proud to have been a part of the Dixie Dispatch. Under the supervision of Mr. Paul Foraker were; editor — Janet Vaughan, sports editor — Mark Samuels, advertising manager — Judy George, other staff members were; Jeff Collins, Cathy Crenshaw, Jan Goodwin, Janet Hilliard, Daniel Jones, Robin Malone, Ray Munoz and Lauri Welch.

The Key to Understanding

The German Club enthusiastically joined in the celebration of a Wurstfest in New Braunfels. The year ended with a food-tasting party where students sampled various German foods.

The French club promotes an interest in France and her culture. Activities this year included Christmas caroling, candy sales, and the annual Spring Symposium in which participants displayed talents in the areas of prose and poetry recitations, singing, and vocabulary memorization.

An Attitude of Brotherhood

The Pan-American Student Forum promotes an attitude of brotherhood towards our neighbors to the South. The Spanish language is encouraged as an example of contrasting heritage and customs. The requirements for Spanish National Honor Society consist of maintaining an "A" average in third year Spanish.

Opposite page; 1975 PASF. This page; Spanish National Honor Society.

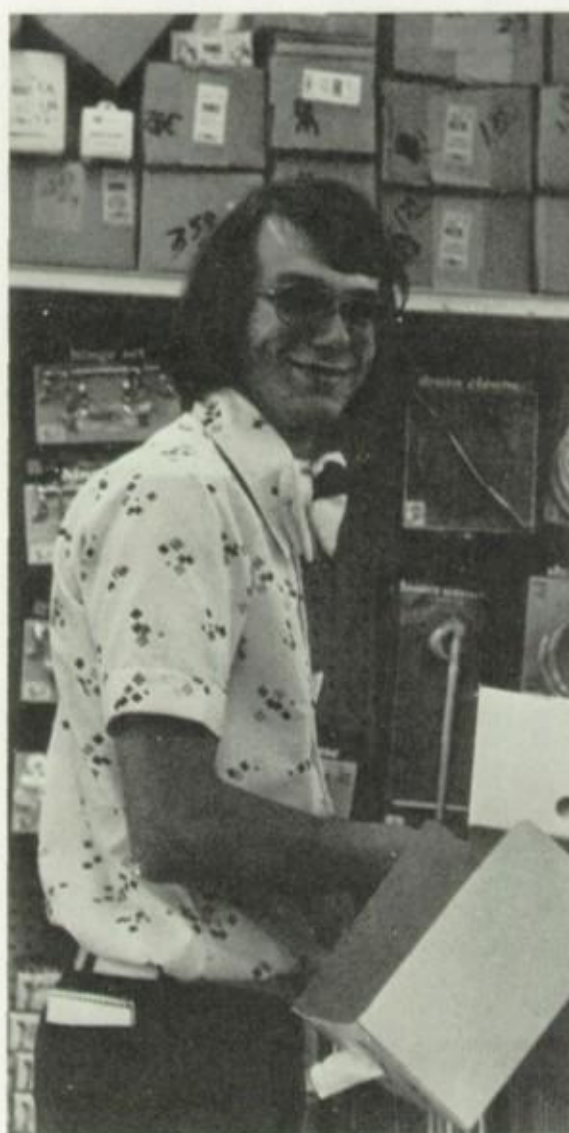

School Work and Work Work for DE and VICA Students

While seniors continued their education in vocational studies, juniors were eager and willing to be part of the club. The purpose of the club is to teach young people to work with mechanical drawing, woodworking, and electronics . . . these skills are learned through V.I.C.A.

In D.E. — distributive education, students are trained on the job, working in Midland businesses throughout the year. Candy sales are held through the year for fund raising benefits. Members competed in regional and statewide contests and did an outstanding job.

Building Vocational Skills

In I.C.T. students achieve a working knowledge of the business world while becoming increasingly productive and involved in our society. ICT is a part of VICA — The Vocational Industrial Clubs of America, an international vocational organization. Many fund raising projects were organized during the year. Firewood was sold in the fall, they also raised over \$1000 for the American Cancer Society and, many more fund raising projects to finish off the school year. ICT members competed in district and state meets and did an outstanding job. David Butler was the president with faculty sponsors; Mr. Jack English and Mr. J. P. Bennett.

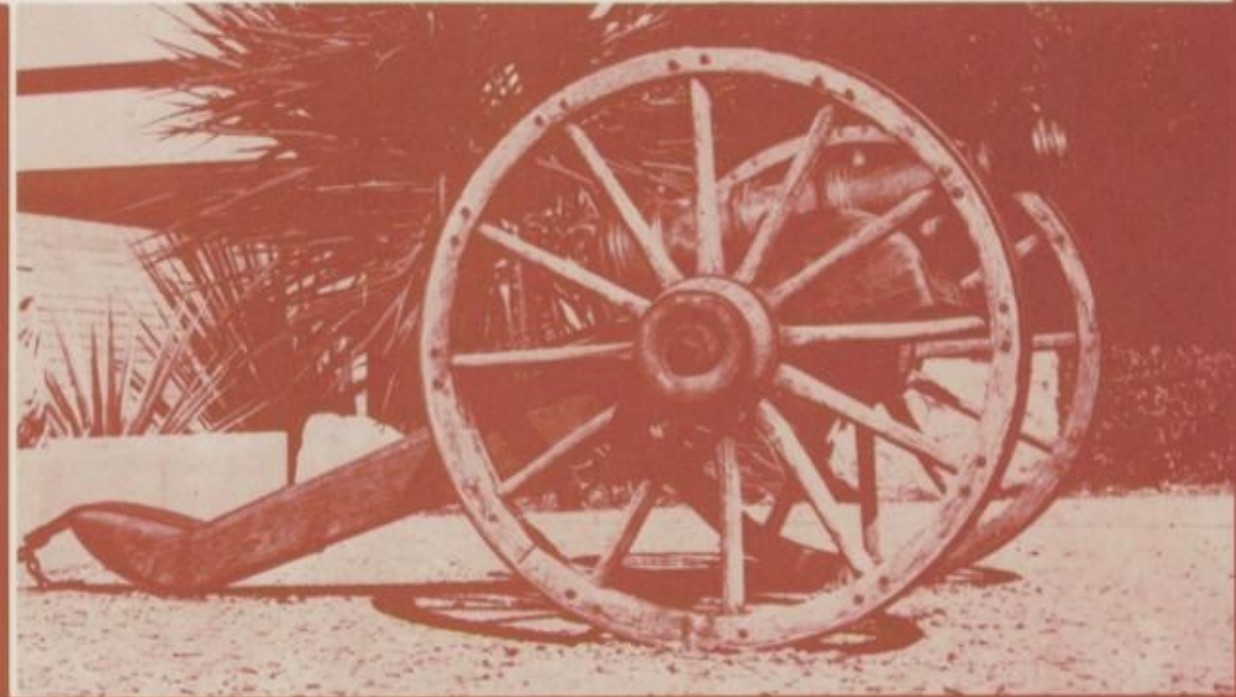

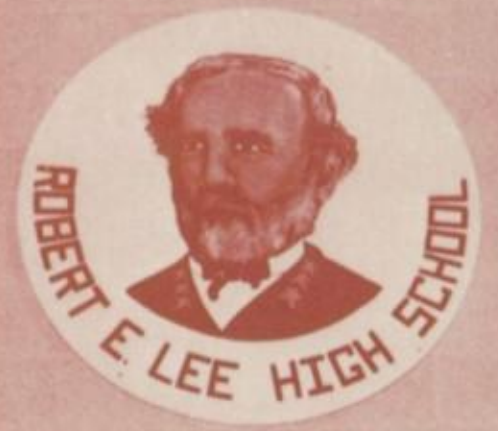

Students express their ideas and opinions through the Pebble Cast. The Pebble Cast staff gathers poems and essays written by students at Lee and publishes them. Through patience and hard work, staffers were proud to present this year's Pebble Cast to the student body.

Mr. and Miss LHS

Donna Nipp

Jim Kreuz

The most highly respected position on the Rebelee Court is Mr. and Miss L.H.S. These two people are selected for their leadership and loyalty shown throughout their high school years at Lee. This year, the Student Body chose Jim Kreuz and Donna Nipp as Mr. and Miss L.H.S.

Donna's beauty and outgoing personality are just a few of the many traits that she possesses. She is by no means a stranger to the students at Lee. Her love for Robert E. Lee is shown through her involvement in school activities. Some of the organizations in which she has been involved in are: Student Council, 100 Club, J.V. Volleyball, Rebelettes, Presidents Council, and 1st Choir. She was also selected as Key Club Sweetheart for two years, which led to Homecoming Queen, then to Miss L.H.S.

The name Jim Kreuz is also a familiar ring around Lee. His voice is heard over the loudspeaker every morning bright and early. As well as being Student Council President, Jim has shown leadership qualities by serving as a Junior Class Vice President, a member of the debate team, and as a two year letterman on the Football Team. He has also participated in the National Honor Society as well as sharing the district title in debate.

1975 Rebelee Court

Ever since Robert E. Lee has opened its doors, the Rebelee Court has been a part of the Dixie tradition. Coronation reflects the images that are admired by the students at Lee. Once a year the Rebels select a court who represents student involvement in all school activities. The Rebelee Court consists of seven categories: Mr. and Miss Courteous, Mr. and Miss Congenial, Mr. and Miss Valuable, Mr. and Miss Talented, Mr. and Miss Integrity, Mr. and Miss Academic, and Mr. and Miss L.H.S.

○○○ ***SPORTS***

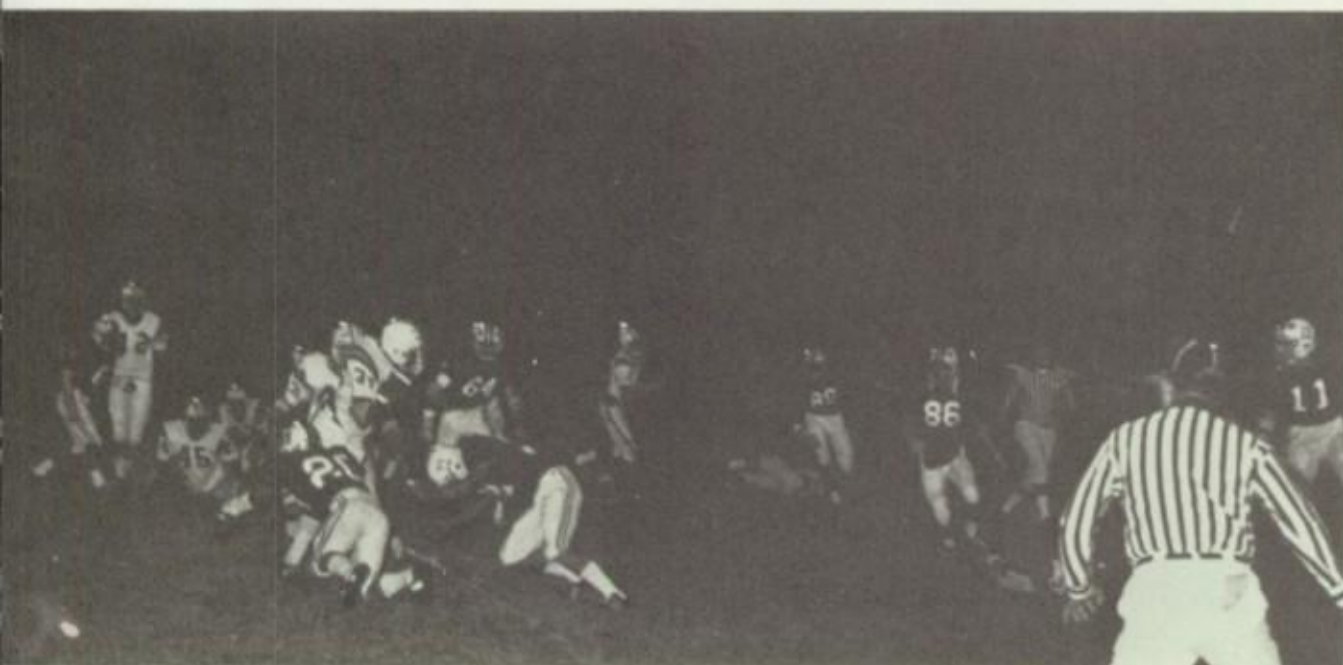

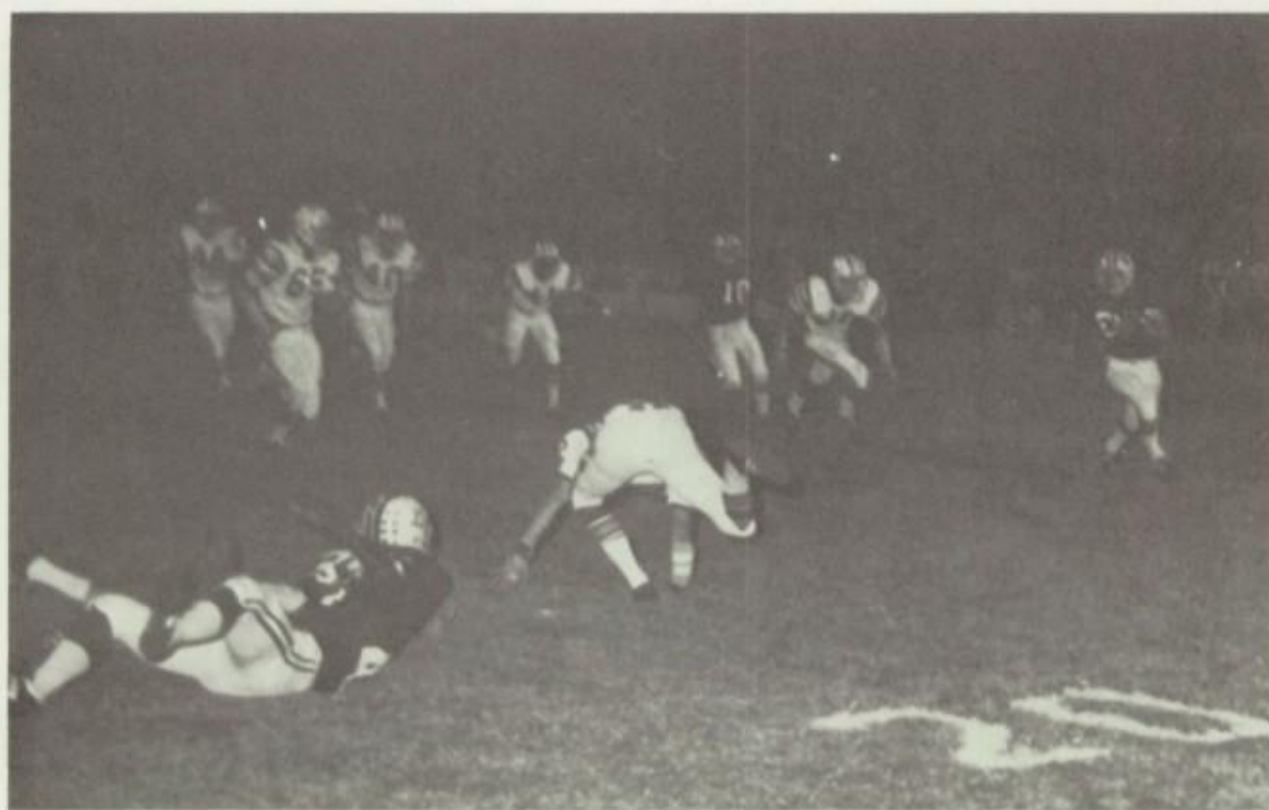

Homecoming and the first district game came all at once. Mums of maroon and white were everywhere, along with the Rebel fight and drive. The Odessa Broncos and the Lee Rebs bucked helmets in the first half with an exchange of TD's that tied the score 7-7. Immediately after the half the Rebel power began to make an appearance with a gain of 82 yards and a TD. Milton Jones had the longest runs of 13 and 12 yards, which helped to make the score 14-7. In the 4th quarter the Rebs kept coming when Keith Bishop and Blain Murray toppled an Odessa Bronco just short of the goal, but in later plays the Broncos scored bringing them up to a **14-13** rise just short of the Rebs when the Broncos missed the extra point. With only a small amount of time left Lee ran out the clock to secure a hard-fought victory.

A week later the San Angelo Bobcats came to Midland for an exciting game, but the Bobcats were bopped by the Lee Rebs who won the game **21-7**. This made Lee's victories total to 5 in a row.

Top left; Milton Jones recuperates. **Top right;** Ready or not, here I come, Greg Rendall **Bottom;** The Rebel walk.

Keep That Drive Alive

"Go, Go, Make it 6 in a row" was the chant in the stands but the Rebs were stopped by the Abilene Cooper Cougars who had to fight very hard for every yard gained. It was a slam-bang affair with both teams going up and down the field. At the beginning of the 3rd quarter Steve Degenfelder intercepted a Cougar pass and set up the play for Lee's only TD. Lee had the lead 6-0 because the Cougar extra point fell short. Lee held Cooper but fumbled to the Cougars, who in turn lost the ball at the Lee 16 yard line. The pigskin volleyed back and forth between the teams, but Cooper managed a TD and made the extra point and won the game 7-6.

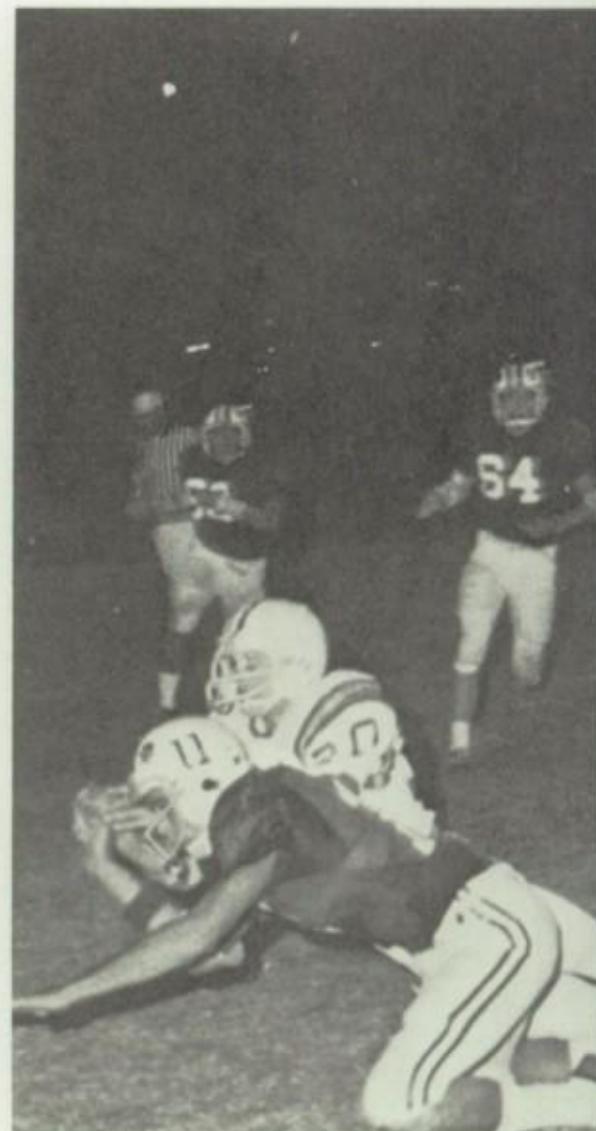

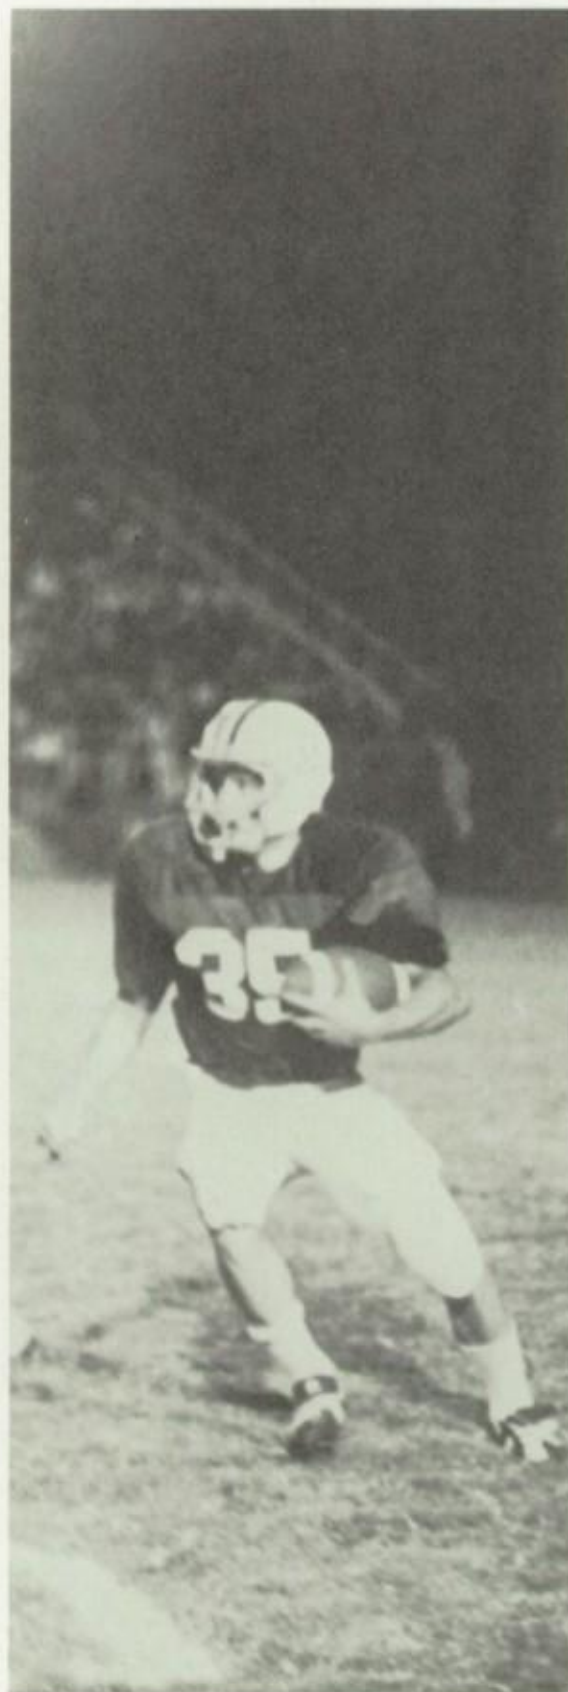

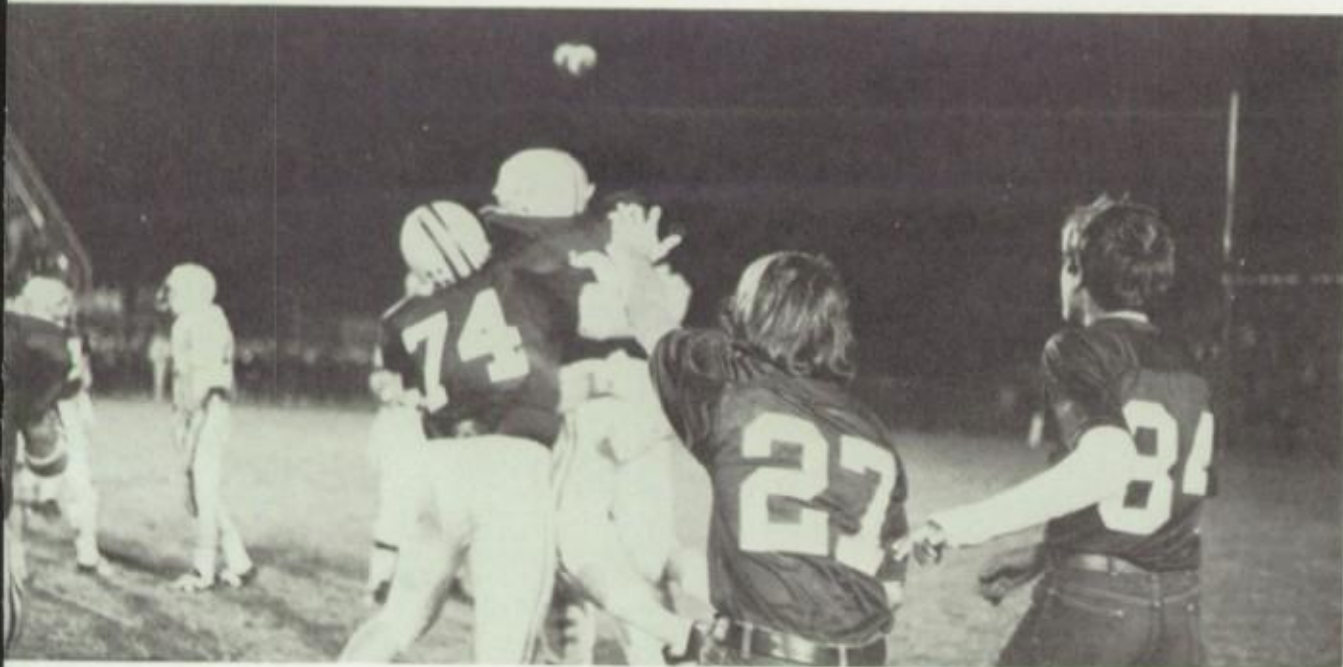

Top left; Rusty Laughlin reaches for a pass. **Top right;** Rebels sweep their opponents right off their feet. **Bottom;** Blain Murray tackles the ball carrier.

Images of Victory

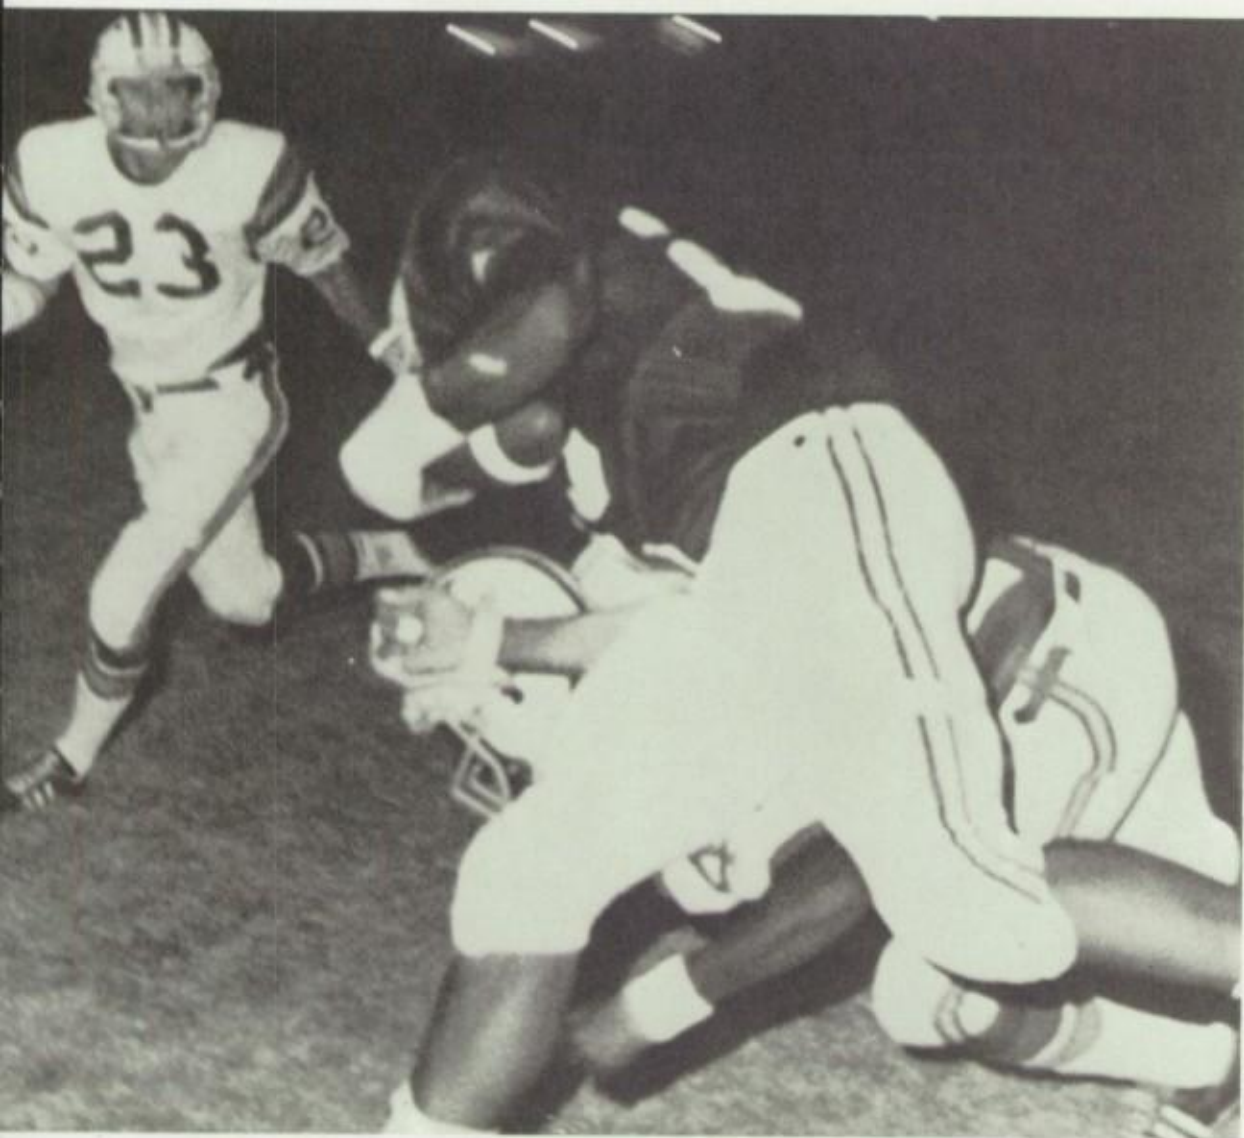

"No, Mo, Mojo" the ever-ringing chant of Rebel fans really became true as the Rebs walked off the field with a **34-7** victory over the Permian Panthers. Just as Coach Wilkins of Permian said Lee outplayed and out-executed the Panthers. The Permian Panther offense came up against the Lee defense and fell apart. The Lee offense, Gary Bowman, Travis Salinas, Brad Stephenson, and David Sledge, opened holes for Blain Murray, Milton Jones, Greg Rendall, and Mike Oliphant to plunge through time and again. The Lee Rebs beat Permian and cleared the road to being District Champs.

Top right; Rusty Laughlin carries the pigskin. **Top right;** Gee, I didn't know you cared, Russell Kellner **Bottom left;** Somebody help, I'm scared, Robert White **Bottom right;** Romping to victory! Milton Jones

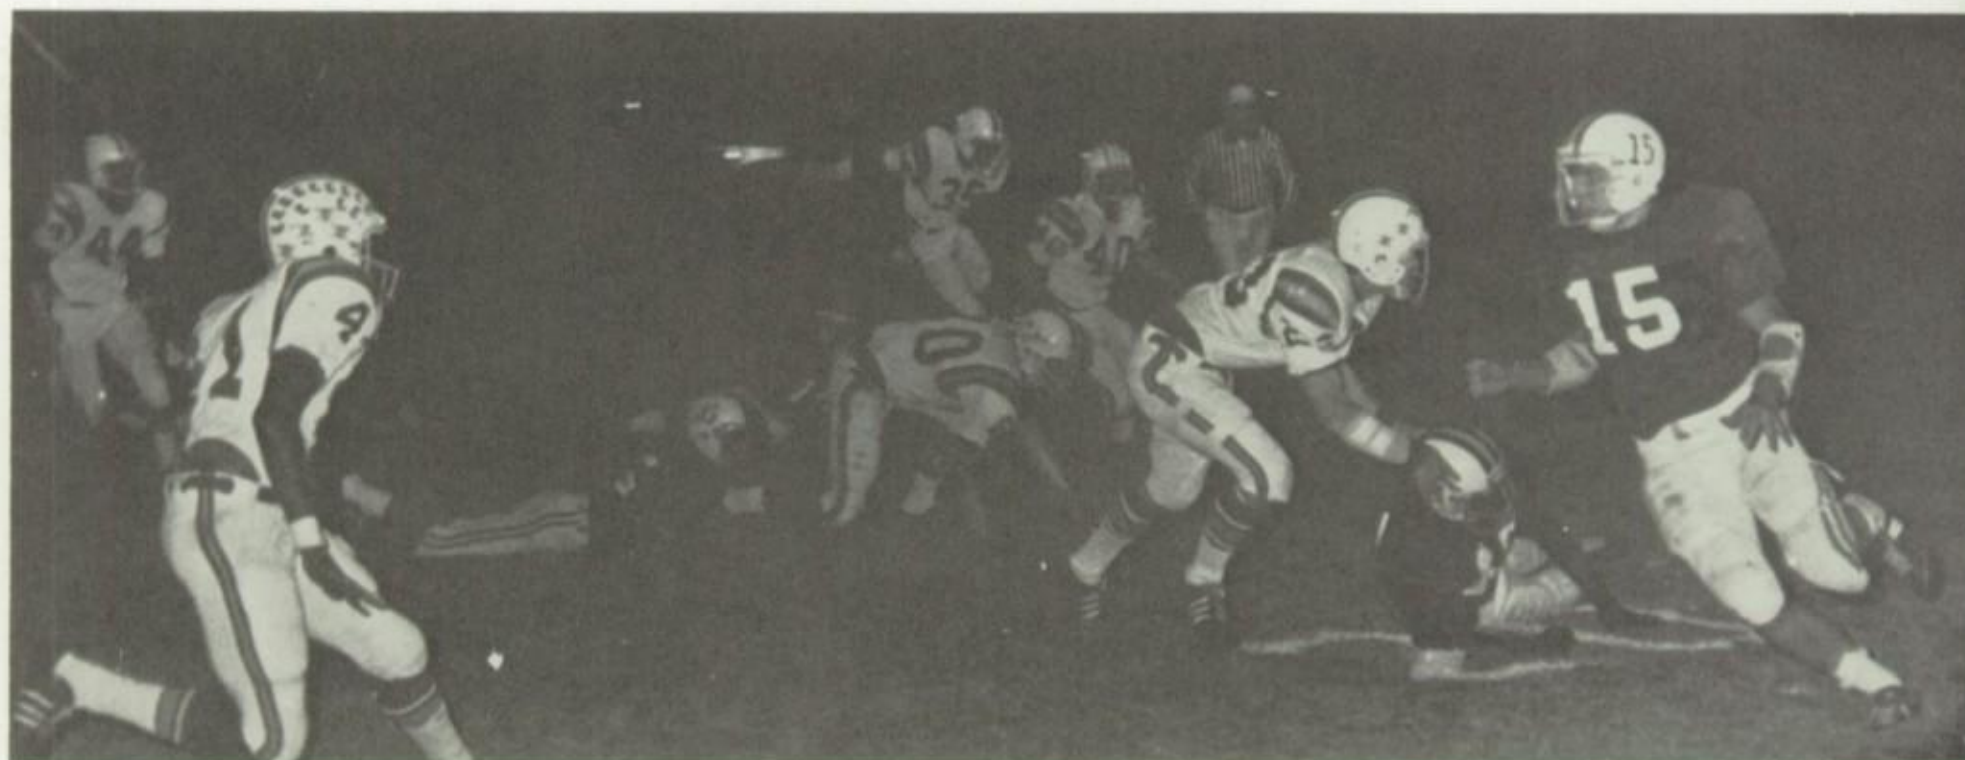

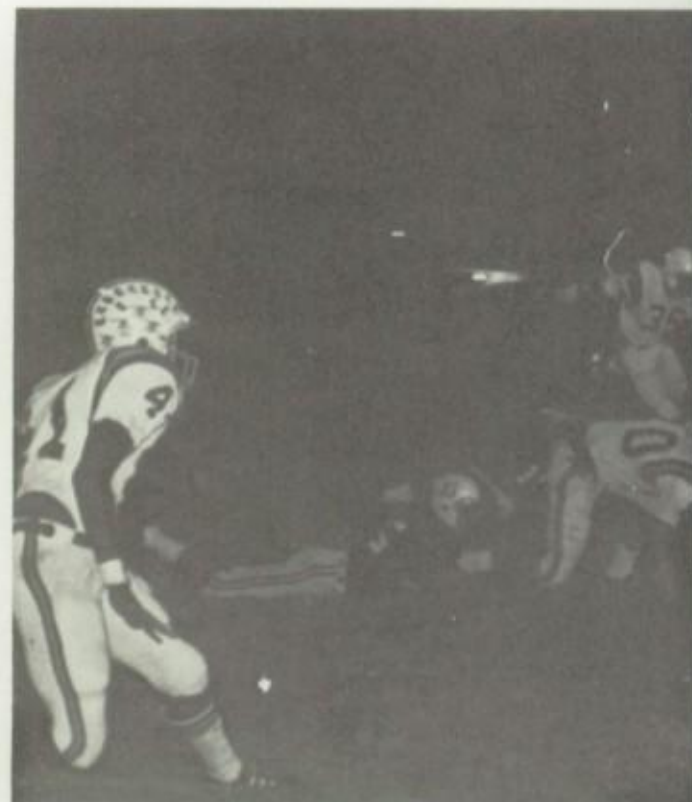

The following Friday Lee bashed the Abilene Eagles with a **30-7** victory. In the first half Lee pushed with a 66-yard drive off of the kick-off to a TD and scored 11 more yards. The Lee offense played most of the game giving the defense the night off and carrying the ball across the goal line many times. Lance Posey, Greg Rendall, and Blain Murray moved the ball to the goal for 3 points pushing the score up to 14-0. Mike Oliphant again took a 60-yard jaunt in the third quarter but the Eagle defense stopped Rebel play until the 4th quarter when Mike Oliphant carried the ball for a TD. The final TD began to take shape when the Eagles punted to Lee. Milton Jones ran the ball 18 yards getting the Rebs away from any handicaps and setting Rusty Laughlin up for a 28-yard gain. Quarterback Greg Rendall then passed to Junior Miller who stormed down the sidelines for a Rebel TD. The game ended with the Lee Rebs in the lead 30-7.

Top: Touchdown! **Middle:** Lee Reb finds himself being tackled. **Bottom:** Is it a standstill?

Accepting the Challenge of Conflict

The Rebs had won 8 games and lost 1, the next game was decisive about who would represent District 5-4A. The Midland-Midland Lee game got off to a defensive tug-of-war with neither team going very far. Tom Cloyd punted to begin Lee's operations on the Bulldogs. The key play came when Milton Jones pushed forth with a 32 yard gain on a Greg Rendall pass. Blain Murray then took the ball to the 10-yard line making Mike Oliphant's score possible. The score was tied 7-7 and stayed that way throughout the rest of the game. The Rebs had done what they had intended to do, won the District 5-4A Co-championship.

Top; The Rebel grabs him by the foot. **Middle;** David Sledge shows his Rebel might. **Bottom;** Trapped! Mike Oliphant

Bi-district play occurred in Wichita Falls where the Rebs played the Rider Raiders. The game was not quite what the Rebs expected, because Lee was stopped with a **35-8** score. Lee fell behind in the first 3 quarters when Rider scored 5 TD's. But the Rebel drive still showed when the lone score was made in the last minutes of the game. The season ended with a District title and memories of the 1974 football games at Lee.

Lee J.V. Claims Third

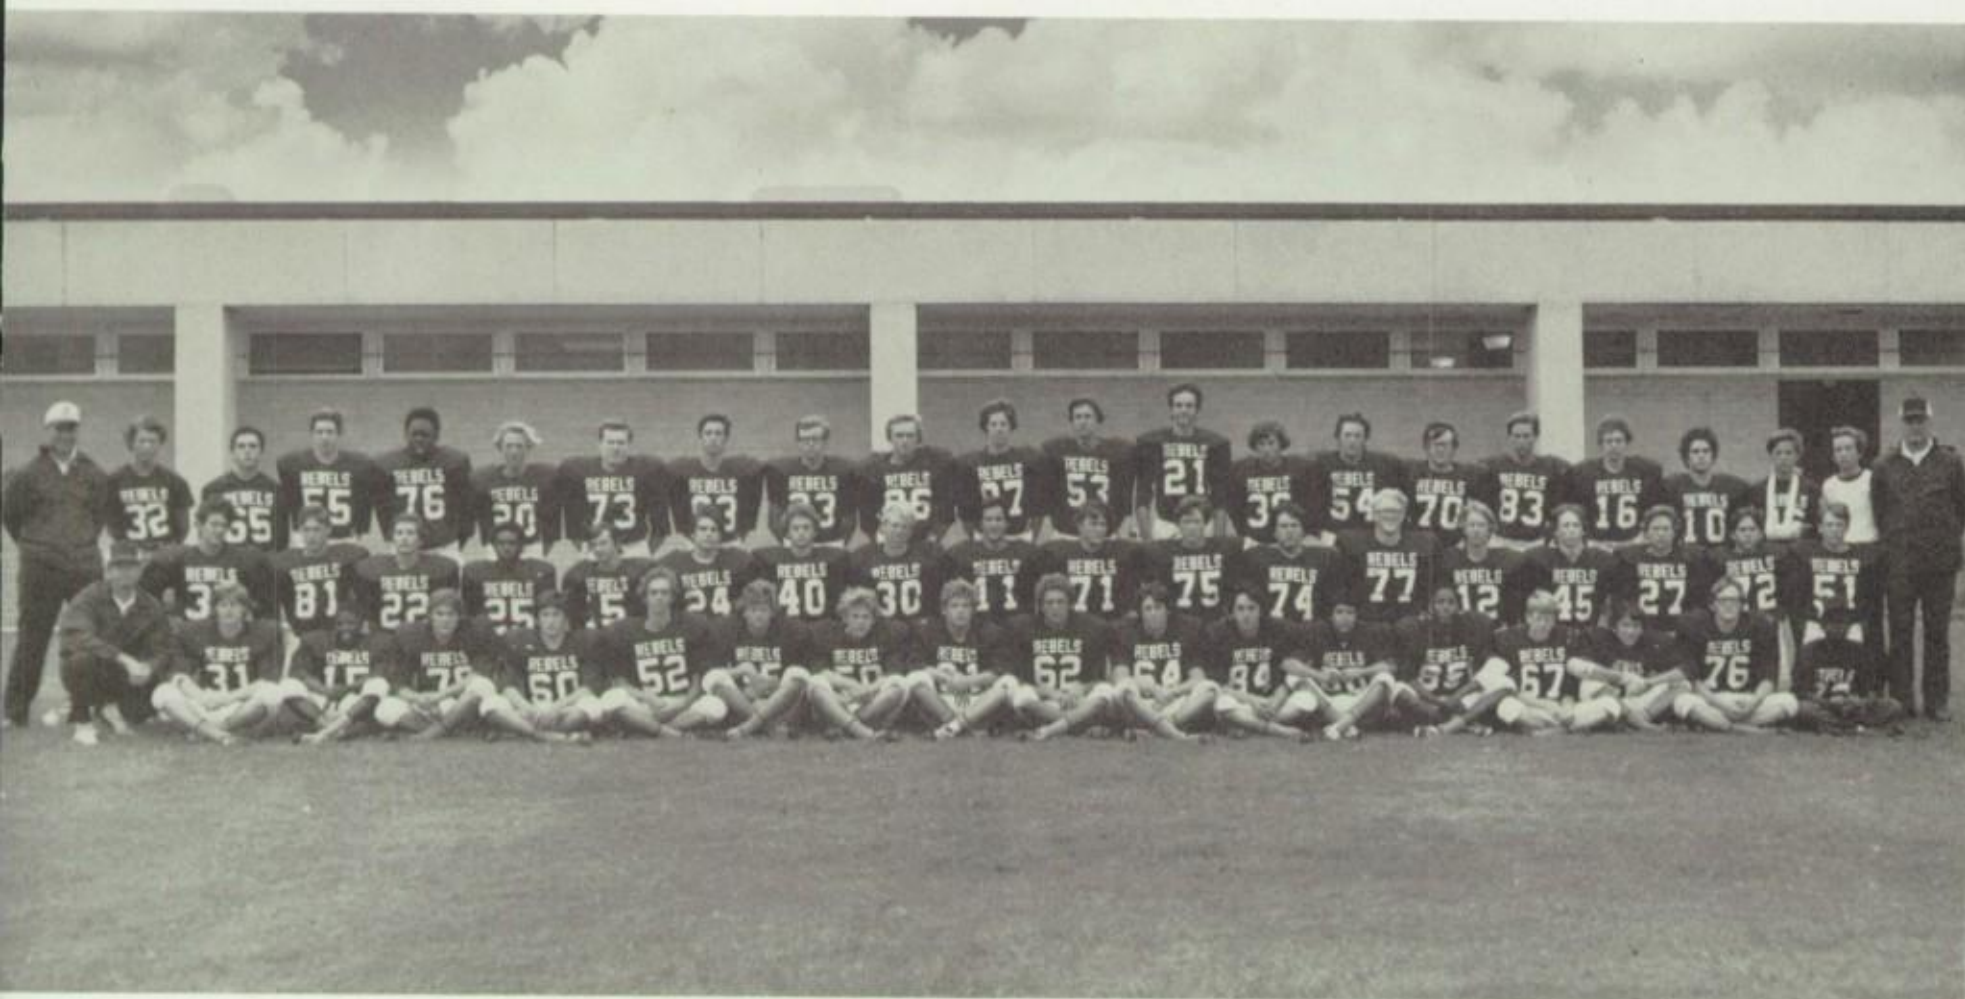

The Maroon and White Junior Varsity footballers jumped into drilling workouts early in the summer. They hit and ran to give Lee a good year in Junior Varsity football. The romping Rebels came through the season with a third place in the District 5-4A.

Coach Johnson coached the team to many victories. Don Salinas came forth in the Rebel game with the Big Spring Steers when he punted a long punt that was fielded at the goal. Along with Don Salinas, Jeff Mathews helped the J.V. team to win many games. In the Lee-Ft. Stockton game Mathews ran over the two-point conversion to make it 22-0. The final score of this exciting game turned out to be 29-0, Lee's favor.

Coach Johnson's fantastic footballers pushed through each game of the year with a force and might that brought the Rebs through to a good third place in the district.

Dec. 5, 6, and 7 saw the Cagers come back to life to take the Plainview Tournament. Brett Blackwell was high point man with 18 points while Brett Blackwell and Junior Miller were named to the all tournament team.

Lee finished their pre-season with a 16-1 record by taking their 11th straight victory over the Pecos Eagles with a score of 90-70.

Brett Blackwell converted a couple of free throws with five seconds in the third overtime to give Lee a 64-62 win over the Purple Pack and the first half title. The four-corner offense paid off as the Dixie cagers captured the district title with a 42-39 victory over the Eagles.

"All the way to state" became the cry as the roundballers defeated Wichita Falls Rider in bi-district action with a score of 87-69. Rebel batmen next faced Pecos where the Rebs captured a 7-4 win over the Eagles. Lee then traveled to Lubbock where they were defeated by the Monterey Plainsmen 5-2. At the Tournament of Champions, held at Cub Stadium, the Rebels wound up 1 and 3, with their only win coming from Putnam City. Lee's baseballers were underdogs once again when they suffered an 8-4 loss to the Coronado Mustangs on the Lee diamond. The Rebels fell to the hands of the Plainsmen for the second time this season with a 15-4 loss. Rebel batmen ended preseason action by dropping two games to Coronado with scores being 10-3 and 1-0.

Rebs Take Third District Title

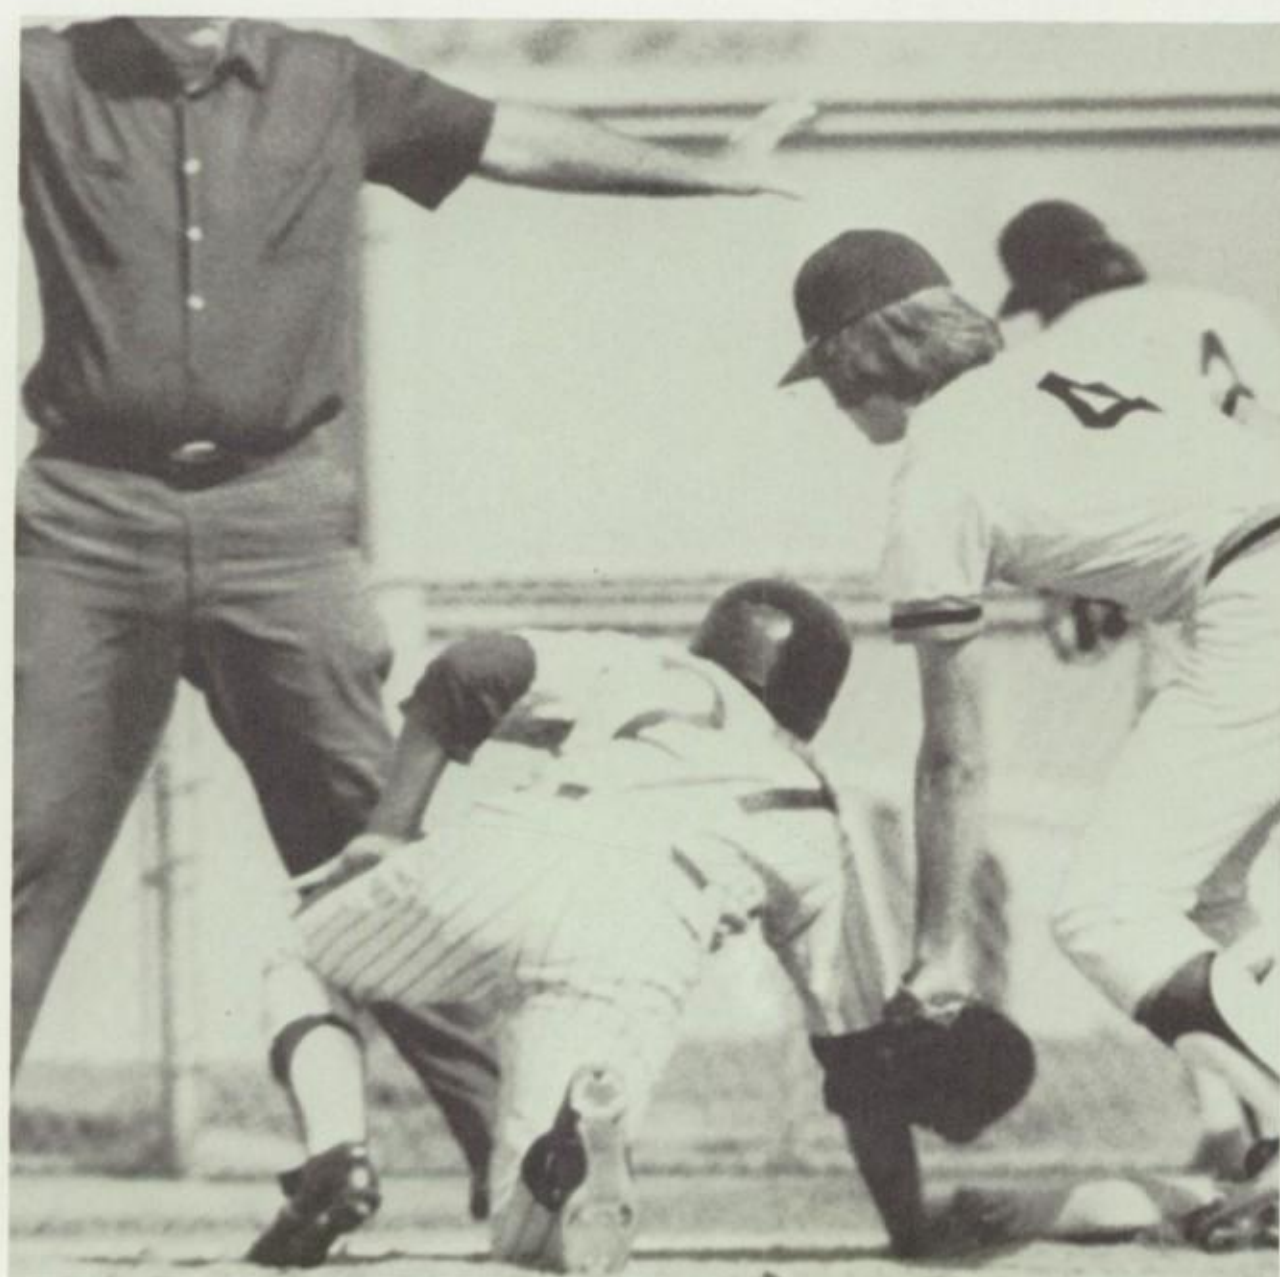

Lee's baseball team opened district 5-AAAA play with a 13-5 victory over the Odessa Bronchos. The Rebs added another game to their winning record when they beat the San Angelo Bobcats 9-4 in the second game of district play. Rebel batmen took time out from district play to battle class AAA Pecos. Lee came out on top with a score of 4-2. Lee next met Abilene Cooper, only to loose to the Cougars 11-1. Rebel baseballers came back to take victories over the Big Spring Steers and Odessa Permian to extend their record to 4-1. Next on the schedule was the Abilene Eagles. Rebel batmen knocked out 21 hits to bomb the Bronchos 18-1 in a make-up game. Bobby Stevens knocked in all three runs, including the winning run, to give Lee a 3-2 victory over Cooper. Rain Ends Rebels Chances

Lee's arch-rival Wichita Falls Rider was the Rebs' next opponent. The Rebels battled Rider for the bi-district title. In the first game, played at Cub Stadium, Lee slipped by Rider 4-3. The Rebel batmen traveled to Wichita Falls to play the second, and possibly third, game of bi-district action. Lee took a 5-3 victory over the Raiders in the second game capturing the bi-district title and advancing to regional play.

Duncanville Panthers were the next competition for the Class AAAA playoffs. In the series opener Duncanville's Bobby Thompson delivered a bad hop, two-out double to break a 5-5 deadlock as the Panthers went on to win 7-5. Then heavy rains in the Dallas-Fort Worth area made it impossible to get a second game in. Thus Mother Nature eliminated Lee from the playoffs, as the regional title was awarded to Duncanville, due to the fact that the Panthers held a one game edge.

In Memoriam

Janis Ottman

1957-1975

Light and laughter in our lives,

Gone but with us still.

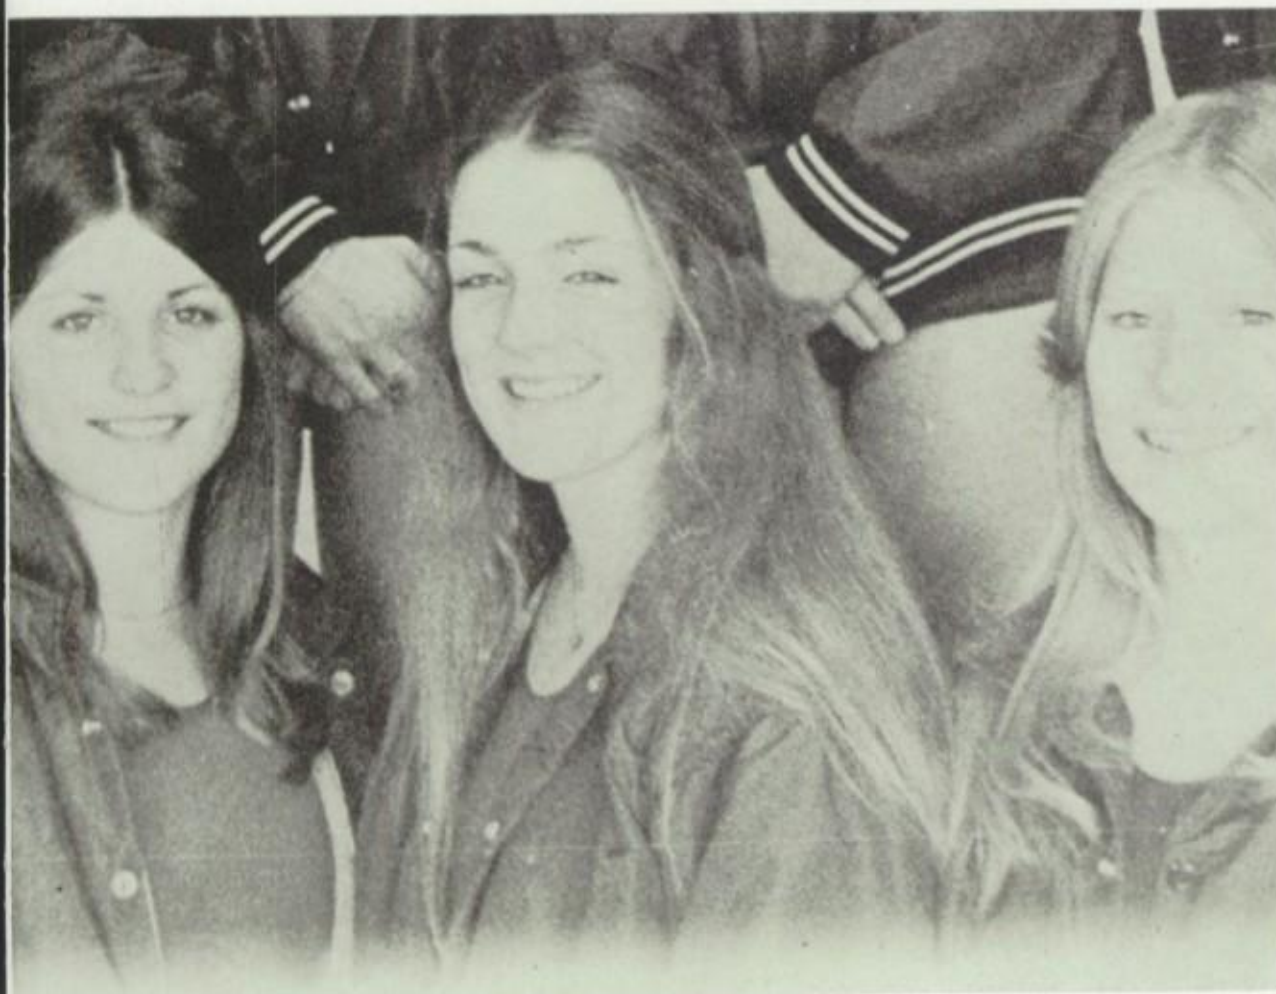

Her joy and beauty touched so many.

Each one blessed by knowing her.

Now she shines in another place,

Bringing joy into heaven too.

By Carol Hartman

Jan,
It has been fun having
you in German; SS'es and
all that. Even though you
were so far ahead of me in
~~is~~ everything I was terribly
jealous. Maybe we can get
together and ruin some
more eggs together.

Love
Gudrun

Jan,
I met you through
G.S. and wow if I hadn't
continued in scouting
I wouldn't of met all
of the wonderful people.
You're one of those people!
See you at scouts!

Love,
Sarah
Matchus

Jan,
I really enjoyed
our Math class, even
though we had a mean
teacher. Keep in touch
Bill Skinner

Jan,
I said I write good
don't I? (Ha, ha) Like
I said to Helen & Susan, I
saw you all year & then another
month at camp. I'm really getting sick
of you. Well I'm just kidding. ~~Good Luck~~
Fancy Flanson

Jan,
It was good to be able
to see you during the
summer, and another
year is ahead.
Love,
Suzan
